ACKNOWLEDGEMENTS

I feel privileged to express my deep sense of gratitude to Shri Desh Bandhu Gupta, our Chairman and Managing Director for providing necessary facilities to carry out this research project and his cooperation during the entire period of this investigation.

I am indebted to Prof. Ramesh Chandra, Vice Chancellor Bundelkhand University for his constructive criticism, and ever-available help and discussion during the course of study.

I would like to thank my colleagues Dr. Vandita Srivastava, Dr. Raman Batheja, Dr. Rajan Goel, Dr. Lavleen Gupta, Ms Jyoti Idnani and Dr. Sharad Sharma for their valuable cooperation and timely help during my research work.

I would like to record my sincere thanks to Ramesh and Praveen for their affection and ever-available help.

I acknowledge my indebtedness to my parents Late Sri Deewan Chand Ji and Mrs. Sumitra Devi; Parent's in law Shri B.L. Soni and Mrs. Sarla Soni for their saintly affection, patience, inspiration and invaluable contributions to make this work a success.

I am grateful to my beloved wife Veena and son Vishal for their loving care and affectionate stance, which made the writing of this manuscript possible.

Finally, I acknowledge the sacrifice of all my laboratory animals who, laid their life for the benefit of the humankind and enhancement of the scientific knowledge in the field of Psoriasis therapy.
