DIRECTIONS

On the following pages there are 50 sentences. In each of the 50 sentences, the first word and the last word is omitted, and a blank space is provided in its place. You are to pick out words which will fill the blanks so that the sentences will be true and sensible. You are to choose your words to fill the blanks from a list of words given with every question. An example sentence will make it clear:

Example X is to water as eat is to

- | | | | |
|-------------|----------|---------|-------------|
| 1. continue | 2. drink | 3. foot | 4. girl |
| A. drive | B. enemy | C. food | D. industry |

For the first blank, you are to select a numbered word out of the four--1,2,3,4--given in the upper line. For the second blank at the end of the sentence, you are to select one lettered word out of the four--A, B, C, D--given in second line. Then you have to mark this combination of two words selected (IA, IB, IC, ID, 2A, 2B, 2C, 2D, 3A, 3B, 3C, 3D, 4A, 4B, 4C, 4D) on the separate Answer Sheet, by drawing a line under the right combination.

Now notice the above Example X. The sentence should read as, "Drink is to water as eat is to food". "Drink" (No. 2) from the first line of the words, and "food" (letter C) from the next line of words make a correct sentence. Hence on separate answer sheet we draw a line under combination 2C. This is shown in the sample Answer Sheet, given below.

Now look at two more examples below:

EXAMPLE Y is to one as second is to.....

- | | | | |
|-----------|----------|-----------|----------|
| 1. middle | 2. queen | 3. rain | 4. first |
| A. two | B. fire | C. object | D. hill |

The correct word for the first blank is the word "first" which is numbered 4 and the correct word for the second blank is the word. "two" which is lettered A. The sentence will then read as "first is to one as second is to two". A line has been drawn, therefore, under the correct combination 4A, in the sample answer sheet below.

Verbal Reasoning Test Continued.....

EXAMPLE Zis to night as breakfast is to.....

- 1. flow 2. gentle 3. supper 4. door
- A. include B. morning C. enjoy D. corner

The correct numbered word here is "supper" which is No. 3. The correct lettered word for the second blank is "morning" which is lettered B. The sentence then reads as, "supper is to night as breakfast is to morning". The right combination is therefore 3B, and therefore this combination is underlined in the sample Answer Sheet.
