SUGAVANAM**, Retd, Director, and G.S.I during the formative stages of the work is greatly acknowledged.

I feel very happy to place on record my sincere thanks to Smt. **N. PREMAVATHI**, Chemist, C & D Quality labs, Chennai, **Dr.S.N.**

CHARAN and **Dr. V. BALARAM**, Scientists **NGRI** Hyderabad, for helping me in carrying out chemical analytical work.

I sincerely thank the Department of Earth Sciences, **Tamil University, Thanjavur**, for extending micro-photographic facilities. The support provided by the Department of Geology, **Annamalai University**, during optical studies, is thankfully acknowledged. My special thanks are due to Mr. **N.K SAMIRAJ**, thin section cutter, Chennai and **M/s. Shiva Analytical (India) Ltd.**, Bangalore.

I am indebted to all the staff members of the Department of Geology, National College and the Department of Civil Engineering, **SASTRA Deemed University** for their co-operation in the work.

Above all I wish to place on record my sincere thanks to my **PARENTS** and other members of the family without whose invaluable sacrifices I could not have completed this work. My brothers Mr. **S. NARENDAR** and Mr. **S. SURENDAR** are specially thanked for their immense help in data compilation. I am particularly indebted to Smt. **R. POORNIMA**, my wife for her patient endurance, encouraging attitude and moral support during the entire course of the research work.

Finally, I thank my friends and students for their kind support.
