ACKNOWLEDGEMENT

"Nothing is impossible to a willing heart, determination and concentration are the key to success." This is what has been inculcated to us by the honourable teachers of our faculty. I extend my utmost, heart felt acknowledgement to my respected teachers, who embody vast knowledge and experience and help us in moulding our future.

I take this opportunity to thank all those who helped and guided me to complete this work.

It is with a profound sense of gratitude and regard that I express my thanks to Dr. A.K. Gurwara (M.S., D.A.) Professor and Head, Department of Anaesthesiology, M.L.B. Medical College, Jhansi and my ‘guide’ under whose able guidance and supervision I had the opportunity to carry out this work. His sense of precision, passion for reason, deep knowledge and experience has always help me. His invaluable suggestions and most perceptive mind were a constant source of inspiration during the course of this work.

Gratitude has no means of expression and I am at a loss of words when I express the profound feeling of regard and thankfulness for my ‘co-guide’, Dr. P. Sahi (M.D., D.A.), Associate Professor, Department of Anaesthesiology. M.L.B. Medical College, Jhansi, whose invaluable guidance helped me to complete my work. His affectionate nature, uncompromising attitude to quality in my work and constant encouragement has helped me during my present work in the department.
There is a feeling of regard, thankfulness and gratitude for my respected teacher Dr. D.D. Verma (M.D., D.A. M.A. M.S.) Professor Department of Anaesthesiology, M.L.B. Medical College, Jhansi. His ever helpful nature, generosity, loving attitude, practical approach to life, silent yet strong attitude towards work would always act as a pointer in life for me.

I am extremely grateful to Dr. (Mrs.) Veena Gupta (M.D., D.A.) Associate Professor, Department of Anaesthesiology, M.L.B. Medical College, Jhansi, who always inspired me to give the best to my work. Her affectionate nature and constant encouragement has helped me throughout the period of my study.

I am extremely grateful to Mr. M.M. Lal for helping me in the evaluation of statistics during the course of this work. I wish to thank my seniors, juniors and colleagues for their co-operation and support during the course of this work.

I am thankful to Mr. Zaheer Hasan, Clerk, Department of Anaesthesiology, whose timely co-operation was always there throughout my study. To all staff members, O.T. technicians, I wish to express my sincere appreciation for their co-operation. I am sincerely thankful to Mr. Rafat Siddiqui for preparing this script and giving the final shape to my thesis.

I am extremely grateful and take this opportunity to thank Dr. Arshia Matin and Dr. Sangita who were always with me whenever I needed them. My special thanks to Dr. Deepali, Dr. Mamta and Dr. Monica for their love and support.
I extend my special thanks to Dr. Ahmad Moetamin without whose help this study would not have been possible.

My hearty thanks to Mr. R.K Dinesh Singh for encouraging and supporting me in every step I take.

I wish to thank my brothers Mr. Thoihen Heisnam and Dr. Angamba Heisnam for their help and constant encouragement during the course of my study.

I am highly indebted to my parents for their love, affection and constant inspiration at every moment of life.

Finally I wish to express my sincere gratitude to my patients without whom this work would never have reached to the present shape.
