Chapter no.	Title	Page no.
	List of abbreviations & symbols	I-IV
	Index of Tables	V-VI
	Index of Figures	VII-IX
1.	Introduction	1-12
2.	Review of literature: <i>Symplocos racemosa</i>	13-57
3.	Rationale for selection of plant and objectives of present study	58
4.	Physico-chemical evaluation and extraction of <i>S. racemosa</i> bark	59-75
5.	Anticancer activity of prepared extracts using <i>in-vitro</i> cytotoxic assay	76-84
6.	Isolation and characterization of bioactives	85-112
7.	Evaluation bioactives of <i>S. racemosa</i> on H4TG (rat hepatoma cell) induced hepatocellular carcinoma in rats	113-135
8.	Anti-oxidant & DNA fragmentation assay of bioactives	136-145
9.	Summary and conclusion	146-148
10.	Future scope	149
11.	Bibliography	150-169
	Appendices	
	I. List of chemicals	
	II. List of instruments	
	III. Plant authentication certificate	
	IV. Animal ethical committee approval	
	V. Publication of papers	
	VI. Presentation
