## ACKNOWLEDGEMENTS

Every act of human being is under the adjudication of the most exalted omnipotent and omnipresent God. In the light of this fact, I vivaciously disclose the deepest extent of my thankfulness and reverence to God, with whose will and blessings I have completed my thesis work.

I am greatly indebted to **Hon'ble Dr. Patangrao Kadam, Founder-Chancellor**, Bharati Vidyapeeth University, Pune and Forest Minister and our motivating drive and eternal force **Sou. Vijaymala Kadam**, as they have been a great source of inspiration. My deep thanks and appreciation is reserved for **Hon'ble Prof. Dr. Shivajirao Kadam, Vice-Chancellor**, Bharati Vidyapeeth University, Pune whose goodwill and inspiration for exceed what words of appreciation can express. I am highly grateful to well versed and ever enthusiastic **Hon'ble Dr. Vishwajeet Kadam, Secretary**, Bharati Vidyapeeth University, Pune for his continuous support.

I am highly grateful to **Principal Prof. K. D. Jadhav**, Yashwantrao Mohite College, Pune for providing me required essential facilities.

I have great pleasure in expressing my deep sense of gratitude to my research guide **Dr. B. N. Pawar**, Vice-principal and Head, Department of Physics, Bharati Vidyapeeth University, Y. M. College, Pune, for his expert and valuable guidance. I received very useful and excellent academic training from him, which has stood in good stead while writing this thesis. It was his direction, support, continuous encouragement, guidance during the course of my work and motivation without which my success can never have been achieved.

I am grateful to my research co-guide **Dr. R. S. Mane**, Professor, SRTM, University, Nanded, for his encouragement, co-operation and valuable guidance during the course of my work. He provided me an excellent opportunity to work with him in the International laboratories at Korean Institute of Science and Technology, Seoul, Republic of Korea, which helped me to get broader outlook of my work and raised my confidence level to greater heights. I would always consider myself fortunate to work with him.

It gives me pleasure to place on record my profound gratitude and indebtedness to **Dr. Oh-Shim Joo**, Head, Clean Energy Research Center, Korea Institute of Science and Technology (KIST), Seoul, South Korea for her active help in providing all the sophisticated and advanced instrumentation facilities to work in the laboratories of KIST and also thankful to **Prof. Sung-Hwan Han**, Inorganic Nano-Materials Laboratory, Hanyang University, Seoul, South Korea where I learned operation of few new techniques.

I would like to express my sincere thanks to **Mr. Pralhad Patil** Registrar, Poona College of Pharmacy, Pune and Dr. H. P. Deshmukh for their kind help. For the co-operation, mutual respect and support that have made every step of this work enjoyable, I greatly appreciate the help from my co-workers Mrs. Gauri R. Patil and Mr. Pradeep P. Atre, Mr. Sudhir S. Vavale, Mr. Mangesh Desai. I am also thankful to teaching staff and non-teaching staff of Y. M. College, Pune. Mr. T. D. Kadam, Mr. S. D. Paliwal non-teaching staff of Department of Physics, Yashwantrao Mohite College, Pune, for their kind support and cooperation while conducting the work.

I am thankful to Dr. H. M. Pathan, Dr. S. D. Sartale, Dr. Mathe, Department of Physics, University of Pune, for providing time to time support to do some research activities in their laboratories. I will be failing in my duties, if I do not acknowledge the support and every possible help by Dr. J. B. Yadav, Mr. Cai-Gangri, Miss. Go-Woon Lee, Mr. Swapnil B. Ambade, Mr. Sambhaji Bhande, Dr. Arif V. Shaikh, for extending a helping hand whenever and wherever I desired.

My immense gratitude and thanks to my Father **Mr. Sopan Krishna Gaikwad**, brother **Mr. Kumar S. Gaikwad**, lovely sister **Mrs. Sunita A. Shinde**, wife **Mrs. Vrushali Rajendra Gaikwad**, father in law **Mr. Govind K. Tanpure**, and, all brothers, and relatives and friends, who have been a motivating force behind all my achievements. Their affection and kind blessings will ever remain to be cherished.

I dedicate all this work to my beloved mother **Late Chabaa Sopan Gaikwad** who showed me this world and encouraged during my child life so I could reach at this stage today.
