

ACKNOWLEDGEMENTS

I sincerely express my indebtedness and deep sense of gratitude to my research supervisor Prof. M. Vijaya Lakshmi M.Sc., Ph.D, Department of Botany & Microbiology, Acharya Nagarjuna University for her expert guidance, pertinent encouragement, sustained interest, ceaseless inspiration, constructive criticism and meticulous editorial care during the course of research and in the preparation of the dissertation.

I wish to express my profound thanks to the Management of J.K.C. College for permitting me to carry out research work in the Laboratories.

My thanks are due to all Professors, Associate Professors and Teaching Assistants of Botany and Microbiology Department, Acharya Nagarjuna University for extending their help during the period of this work.

I gratefully acknowledge to Dr. R.D.Prasad, Senior Scientist, Directorate of oil Research centre, Rajendra Nagar, Hyderabad

I am most thankful to Dr. A. Vishnuvardhan Reddy, Principal Scientist, Seed Research Technology Centre, Rajendra Nagar, Hyderabad , for his timely help during the course of this work.

I thank to Mr.Y.V.Krishna Prasad for the technical assistance given during my research work.

Last but not least, I am grateful to all my family members for their moral support and encouragement, without which the completion of the present study would have been very difficult.

(KRISHNA KUMARI. P)
