Acknowledgement

I bow my head to the Almighty Allah-hu-tala for blessing me with good health and strength to complete the work to my satisfaction.

Any attempt at my level cannot be satisfactorily completed without the support and guidance of learned people.

It gives me immense pleasure to express my deep sense of gratitude and sincere thanks to my guide Dr. Zeba Parveen, Associate Professor and Head of Department of Zoology, Bi Bi Raza Women’s Degree College, Kalaburagi, for constant encouragement, attentive reading of the script, constructive criticism and without critical which I could not have completed this work.

It is my privilege to thanks to Prof. K. Vijay Kumar, Chairman, Department of Zoology, Gulbarga University, Kalaburagi for all the positive criticism and cooperation during the period of investigation.

I once a debt of thanks and high regards to Mrs. Naseem, Principal Bi Bi Raza Women’s Degree College for her affectionate encouragement throughout the course and completion of this research work.

I would never have had the courage to start their endower if not for support and love provided by mother Mrs. Naseem Banu, father Md. Jameel Ahmed, my sweet sisters Shagufta Tabbasum, Rana Firdous, Azra Jabeen and my brothers Md. Fahad Ahmed, Anwar Hussain, Rabbani and all family members who took lot of pain to bring me into such position I remain ever grateful to them.

I extend my thanks to Dr. M. Rajsheker, Dr. Renuka and Mr. Narendra Reddy (Executive Engineer, KSUW) kind help in completing the research work.
My special thanks to my dearest friends Jyothi, J. Sadiya M. Shaikh Fahmeda, Md. Asif and Ameena Begum for their active and whole hearted co-operation throughout my Ph.D Work.

Also special thanks to Mr. Syed Shakeel Ahmed of Image Graphics, Kalaburagi for laser printing and lovely binding.
