ACKNOWLEDGEMENT

I would not achieve whatever I can, without the help, support, encouragement and the wishes of my near and dear ones. I owe them a lot and it is always a very difficult task expressing and putting into words the sense of gratitude I feel towards them. I wish to remember and acknowledge all who made this research work possible.

I place on record my deep and heartfelt gratitude and sincere thanks to my Research Guide Dr. Murali Jadesh, Assistant Professor, Department of Zoology, Gulbarga University, Kalaburagi for his valuable guidance, constant inspiration, encouragement and timely help throughout my research work.

I express my sincere thanks to Dr. K Vijaykumar, Chairman, Department of Zoology, Gulbarga University, Kalaburagi for constant support and their help rendered in many ways.

I feel inadequacy of my diction to find more suitable word for a whole hearted thanks to Dr. Ravindra Paul for his bits of knowledge and wisdom, which they impart to me during my studies. I am bestowed with the efforts he had put to integrate the right scientific research attitude along with scientific writing skills. I’m grateful to him for being understanding and supportive in all aspects during my research studies.
