ACKNOWLEDGEMENT

It is difficult to express my deep and sincere gratitude to my guide Prof. Bhushan Patwardhan in few words. I am thankful for his constant encouragement and valuable guidance throughout the PhD course. I am also grateful to Dr. Kalpana Joshi for guiding the research work and its critical evaluation. I am obliged for her motivation and moral support during this tenure.

I am thankful to National AIDS Research Institute (NARI), Pune for providing me the necessary facility to carry out the research. I am grateful to Dr. Paranjape (Director, NARI) and Dr. Tripathi (Scientist, NARI) for their support. I can not forget the valuable guidance and help of Dr. Abhay Jere, Mr. Ajit and Mrs. Kalpana from NARI. I wish to express my special thanks to Dr. Mrs. Prabhune and Mr. Sharath from National Chemical Laboratories (NCL), Pune for their help in the research work. Dr. Abhay Harsulkar (Scientist, Interactive Research School for Health Affairs) was a constant motivator and supporter for me during this period. I express my sincere gratitude to him. I also wish to express my sincere thanks to Dr. Anita Kar for her guidance and providing me necessary research facility in the School of Health Sciences.

I am thankful to Mahatma Phule Agricultural University, Rahuri, Department of Botany, University of Pune and Agharkar Research Institute (ARI), Pune for providing me the plant material and its authentication.

I wish to thank all the eminent experts and research scholars from the CSIR-NMITLI arthritis team for providing me a knowledge base. Individual thanks to Dr. Chopra, Ms. Manjeet, Anuradha, Dr. Jayashree from CRD, Pune and Dr. Mujumdar and his team from ARI, Pune. It is really difficult to carry out a work without support and help of
colleagues. I am really grateful to Dr. Girish, Manish, Preeti and Yogita for being my co-
workers, supporters and most importantly my best friends. I am appreciative to Mr. Dada,
Sanjay, Amrutesh and Tejas for their co-operation and help. I also would like to show
appreciation to the M. Sc. Students (Prajakta, Pooja, Aditi, Swati, Sruti, Sonali, Namrata,
Nandini and Sneha) for their help. Teaching (Dr. Aarti, Dr. Anjali, Mrs. Shilpa, Anjaline,
and Sangita) and non-teaching staff from ISHS was always cooperative. I wish to thank
them. My special thanks to dear friends Mr. Ravi, Shailesh, Samit, Swapnil, Gopu, Puru
and BK.

Most importantly, I am indebted to my parents and brothers (Sanju and Bhagirath) for
their unconditional, persistent and enthusiastic support and emotional back up all the
time. I can not forget my Kaka and Tai for supporting and helping me at every stage of
progress. Thanks to Rahul and Priya for their love. My special appreciation to my wife,
Sharvari for her support and encouragement.

Fellowships from University Grants Commission (UGC) and Council for Scientific and
Industrial Research (CSIR) Govt. of India are gratefully acknowledged.

Mr. Warude Dnyaneshwar E.
