Acknowledgement

This thesis is a result of collective efforts of a large number of people. However, it is important to acknowledge their help and contribution.

It is almost eight years to this day that Dr. Sushama Pendharkar consented to be my research guide. I owe a special debt of gratitude to Dr. Subhash Bhave and Dr. Raja Pokharapurkar for taking personal interest in my work in her absence. It is only due to their able guidance that I have progressed thus far.

My sincere thanks to Dr. K.R. Sanap, Dr. Charudatta Joshi, Mr. Rajeev Kumar and Mr. Prakash Kulkarni who endured me during this entire process in spite of their busy schedule. Without their encouragement and support, this research would not have been possible.

I am thankful to ‘Sakal Papers Ltd’ for sanctioning a special leave to visit UAE and also my colleagues of the present organization ‘Zee TV’ (Alpha Marathi – Advt Sales), for their kind support.

Finally, I wish to acknowledge the untiring support of my family, especially my wife Mrs. Sapana Rangnekar in the entire process.
