

## **ACKNOWLEDGEMENTS**

It takes not only a single cerebrum of the researcher rather it is the concerted effort of hundreds of people to produce a precious research thesis. The research scholar is much appreciated, but others who burnt midnight oil barely get little notice; I respectfully acknowledge my deepest gratitude to all those who patronized me in silence.

With the heavenly blessings of the Almighty, this research is really “a dream comes true”. I feel like “coming out of an age” with the unprecedented love, care and support of learned Guru par-excellence Dr. R.C. Saxena who shaped the finer nuances of this research from concept to commission. He is not only a nice mentor but also a very nice person. He is next to God to me. I wish that each and every research scholar is fortunate enough to be blessed by such a Guru. Guruji’s wife also showered her motherly blessings on me.

I am very much grateful to Dr. Vinod Sharma (Associate Professor, UOR, Jaipur) Infact, he is the motivator of my research work. The blessings & Support of Prof. K. S. Sharma (Lecturer of Economics, Govt. P.G. College, Dausa) always kept me going. The Head of the Department of Economics, University of Rajasthan Prof. Alpana Kateja always kept my spirits high.

The celestial blessings of my Father (Late) Shri Parsuram Sharma and Father-in-Law (Late) Shri Hanuman Prasad Sharma who lived their lives fully with glamour, gravity and grace. They bestowed and nurtured perennial moral courage and individualized conscience in me. The sacred & devout blessings of my mother in law Smt. Gulab Devi and Mother Smt. Sushila Devi always illuminate and enlighten my life.

My husband Shri Ram Sharma always inspired and cheered me whenever I felt low. He has lived my dream with me. Infact this thesis is outcome of his sincere efforts and support. My cute kids Tanay and Swasti somehow managed their temper tantrums and facilitated in the smooth completion of research.

I extend a deep sense of gratitude towards my brother Dr. Bal Mukund Sharma (Principal, Rajasthan Swayat Shasan Mahavidhyalaya, Jaipur) who always provided me with the very much-needed moral and emotional support.

This memorable journey would have never reached its final destination without remembering the moral support of respected Dr. Raghav Prakash and Dr. Savita Paiwal.

I am also grateful to the office staff of the department of Economics for their whole-hearted cooperation.

I don't have enough words to express my sincerest gratitude towards my creative, dedicated and workaholic team Mukesh Choudhary & his Colleagues who relieved me from day-to-day hassles.
