

ACKNOWLEDGEMENT

Foremost, I would like to express my profound gratitude to the Honourable Chancellor of Vellore Institute of Technology, **Dr. G. Viswanathan** for offering world-class education and research to students and research scholars. I wish to thank Vice Presidents **Mr. Sankar Viswanathan, Dr. Sekar Viswanathan** and **Mr. G.V. Selvam** for providing an environment to attain the skills and competencies to complete my research work. I extend my gratitude to **Dr. Anand A Samuel**, Vice Chancellor and **Dr. V. Raju**, Former Vice Chancellor for their commitment to excellence in research.

I would like to express my special appreciation and thanks to my Research Guide **Dr. Anand Anbarasu**, Professor, School of Bio Sciences and Technology for being a great mentor for me. I could not have imagined having a better mentor for my Ph.D study. I thank him for encouraging my research activities which makes me to complete the thesis “SPGDB; HIGDB; MDB & EDB: Design and development of databases for infectious diseases”. His advices on my research activity as well as on my career have been invaluable. I am extremely grateful for what he has offered me throughout the course of my Ph.D study. I would also like to thank **Dr. Sudha Ramaiah**, Associate Professor, School of Bio Sciences and Technology for her continuous support and motivation which helped me through all stages of my research work.

I would like to extend my sincere gratitude to **Dr. S. Babu**, Associate Dean, Academic Research and **Dr. C. Ramalingam**, Dean, School of Bio Sciences and Technology for their valuable guidelines and constant support in the field of research.

I wish to thank my Research Advisor, **Dr. K. Sekar**, Indian Institute of Science, Bangalore for giving me an opportunity to join their team as short term researcher and for giving access to the laboratory and research facilities. Besides my Research Advisor, I would like to thank the rest of my doctoral committee members (**Dr. J. Jeyakanthan**, Alagappa University, Karaikudi and **Dr. N. Saravanan**, National Institute for Research in Tuberculosis, Chennai) for their insightful

comments and encouragement which incited me to improve my research from various perspectives.

I gratefully acknowledge the “**Indian Council of Medical Research**” for awarding Senior Research Fellowship to me.

I would like to thank my family: my parents Mr. R.P. Govindarajulu and Mrs. R.G. Lalitha, my siblings and my in-laws for supporting me spiritually throughout my life. I would like to express my appreciation to my beloved husband Mr. M.S. Saravanan who supported and incited me to strive towards my ambition. I would also like to thank all my lab mates for their support and encouragement during my study.

Above all, praises and thanks to the God, the Almighty, for his showers of blessings throughout my research work which makes me to complete my research successfully.
