I express my deep sense of gratitude to Prof.A.V.Gedgil, my research guide, under whose prompt, inspiring and able guidance, I have been able to complete my research study.

I am thankful to the teachers of English, librarians in the different institutions, who have responded to my questionnaire promptly and expressed their views and opinions about the teaching of English at the +2 stage. I am also grateful to the principals and the heads of the different institutions who have helped me in the collection of essential data. My thanks are also due to the students of the various collages who freely expressed their opinions and promptly answered the questionnaires.

I am grateful to my well-wisher and the author of many articles in Science, Shri.D.V.Sathe, who went through all my manuscripts and made valuable suggestions. My thanks are to Mrs.M.A. Parkhe whose help in computer feeding and processing brought the research in its final shape.

I must also thank my friends and well-wishers who have helped me and prompted me in my undertaking. Last but not the least important work was of typing, in which my wife Sou.Sangeeta assisted me, to her also I express my thanks.
