ACKNOWLEDGEMENT

Deepest gratitude is extended by the researcher towards his supervising teacher, Dr Celine Pereira, Reader, School of Pedagogical Sciences, Mahatma Gandhi University, Kottayam for her incomparable guidance, timely criticisms and thoughtful and helpful comments which has been a never-waivering support for the researcher during the entire period of the study.

The researcher is thankful to Dr. A. Sudharma, Professor and Director, School of Pedagogical Sciences, Mahatma Gandhi University, Kottayam for her co-operation, suggestions and facilities given to complete this work. He denotes his deep acknowledgement to all the teaching and non-teaching staff of the School of Pedagogical Sciences, for their support and encouragement.

The researcher feels very happy in recording the words of gratitude towards Dr. E. Krishnam, Professor and Head of the Department of Mathematics, University College, Thiruvananthapuram, Dr. M. Balan, Lecturer, DIET Kannur and Sri. K. M. Chandran, Lecturer, DIET Kannur for their immeasurable help for conducting the research.

The researcher is thankful to Sri. A. T. Anilkumar, librarian, School of Pedagogical Sciences, Mahatma Gandhi University for the necessary facilities provided. The researcher expresses his hearty thanks to the librarians of RIE Mysore, SCERT Thiruvananthapuram, Department of Education, University of Kerala and Department of Education, University of Calicut.

The researcher expresses his sincere gratitude to persons who helped in providing Mathematics textbooks of different countries and various states of India.

The researcher also expresses his hearty thanks to the heads, teachers and students of the selected schools for their kind co-operation. Special thanks are due to the teachers of the experimental schools for their valuable service.
It is the privilege from the part of the researcher to place on record his deep felt gratitude to his wife Deepa. K. V. and daughters Ambili and Anjali and all other members of the family for their valuable ideas and emotional support which greatly helped in the completion of this study.
