

6

CONTENTS

	Page
CHAPTER - I : General Introduction	1 - 40
CHAPTER - II : Materials and Methods	41 - 61
PART-A	
CHAPTER - III : Pharmacokinetics of norethindrone in Indian women	62 - 71
CHAPTER - IV : Plasma levels of NET in Indian women receiving norethindrone enanthate (20 mg) injectable	71 - 78
Part-B	
CHAPTER - V : Rabbit as an animal model to study pharmacokinetics of norethindrone in women	79 - 86
CHAPTER - VI : Effect of food restriction (undernutrition) on pharmacokinetics of NET in rabbits	87 - 100
CHAPTER - VII : Effect of food restriction (undernutrition) on plasma sex hormone binding globulin (SHBG) capacity, liver drug metabolising enzymes and uterine cytosol progesterone receptor levels in rabbits.	101 - 109
CHAPTER - VIII : General Summary and Conclusions	110 - 116
