

Acknowledgements

This thesis is my voyage towards new knowledge and experiences. It has provided me the opportunity to present my abilities and motivation to conduct research and make recognized contributions to academia and industry. I owe my sincere thanks and appreciation to several people for their valuable contributions and suggestions to make my work in present form.

First of all, I thank the Almighty for blessing me with strength and patience to overcome all the hurdles which I faced during the course of this work.

I wish to express my deep sense of gratitude and everlasting indebtedness to my respected guide Dr. Himanshu Aggarwal (Professor, Department of Computer Science & Engineering, Punjabi University, Patiala) whose advise, constant encouragement, invaluable suggestions and expert guidance were of at most help in completing this research work . It is pleasure to acknowledge my sincere gratitude to him for giving me much of his valuable time.

I am grateful to my Co-guide Dr. Ashim Raj Singla (Assistant Professor, Indian Institute of Foreign Trade, New Delhi) for his all-time support and guidance which paved me a way for successful completion of my thesis. I am especially thankful to him for giving me constant encouragement and directions from time to time despite his busy schedules.

My sincere thanks to Dr. R.K. Bawa (Head, Department of Computer Sciences, Punjabi University, Patiala.) for his help and support given in all aspects during this research work. My sincere appreciation is due to him for providing all facilities required for completing this work. I am grateful to Dr. Arun Sharma (Prof. & HoD, KIET, Ghaziabad) for guiding me throughout the research work. I express my gratitude to all the faculty members of the department of Computer Science for providing me valuable suggestions and advice during my annual presentations which help a lot for bringing the improved quality in my research work.

The moral and social support given by my wife Kirti Seth is gratefully acknowledged, without which I could not accomplish this task. She is always being a great source of inspiration for me.

I would like to pay gratitude to my father Sh. Harish Seth (Babaji), my

mother Smt. Krishna Seth (Maaji) for blessing and encouragement they have provided during every endeavor in my life. I would not forget to express my gratefulness to my second parents Mr. Vinod Tyagi and Mrs. Sushma Tyagi who are continuous source of support & motivation in all phases of my life.

I would like to dedicate this work to my lovely twin daughters *Verda* and *Vindhya*, for being a ‘*Good Luck*’ in my life. Finally, I wish to express my thanks to all my teachers, friends, relatives who helped directly or indirectly at different stages during the course of this work.

Ashish Seth
