

CONTENTS

Chapter		
I		
1.0	Introduction	1
1.1	Background	2
1.2.	Supply Chain Management	6
1.3.	The Present Study	22
1.4.	Research Questions	25
1.5.	The Objectives	25
1.6.	The Summary	26
II	Retail Industry : Retrospect And Prospects	
2.0	Introduction	27
2.1	Factors Contributing to Retail Industry Growth	28
2.3	Drivers of Organized Retail in India – Supply Side factors	36
2.4	Need for Research	60
2.5	Benefit of the Study	63
2.6	Operational Definitions	64
2.7	Some Significant Research Studies	66
2.8	Studies in Indian Context	105
2.9	Summary	108
III	Supply Chain Management : A Literature Review	
3.0	Introduction	111
3.1	Concept , Need and Importance	113
3.4	Synthesis of Review of Literature	156
3.6	The Summary	157

IV	Design Of Research		
4.0	Introduction		158
4.1	The Hypotheses		159
4.2	Study Area		167
4.3	Research Design		170
4.4	Sampling Design		172
4.5	Methods and Tools of Data Collection		173
4.6	Data Processing		180
4.7	Statistical analysis		180
4.8	Scheme of the Report		182
4.9	The Summary		183
V	Supply Chain Management Practices And Their Effectiveness		
5.0	Introduction		184
	Part A	Profile of the Respondents	184
	Part B	Supply chain Management Practices in Retail stores	195
	Section I	SCM Agreement by Type of Stores	195
	Part C	SCM Practices and Level of Functionaries	221
	Part D	Effectiveness of Supply chain Management	240
	Part E	Role of SCM Practices in Effectiveness of Supply chain Management	244
5.36	Summary		248
VI	Summary, Implications and Conclusion		249
6.0	Introduction		249
6.1	The Present study		251
6.2	The Method		254
6.3	The Findings		255
6.4	The Implications		262
6.5	Future Research		271
6.6	Conclusion		272
	References		279 to 290
	Appendix 1 : Questionnaire		291 to 294
