

**CONTENTS**  
**ACKNOWLEDGEMENT**  
**LIST OF TABLES**  
**ABBREVIATIONS**

**CHAPTER- 1**

**Study Background, objectives and hypotheses of the study**

1.1 Background.

-Female work participation rates

-Women's economic contributions

-Determinants and constraints work participation and labour supply

1.2 Objectives

1.3 Hypotheses

1.4 Data base

1.5 Analytical Framework

1.6 Plan of the thesis

**CHAPTER-2**

**Trends in work participation, Literacy, Fertility and wages of women in Andhra Pradesh**

2.0 Introduction

2.1 Women in the development process

2.2 Women and work participation rate in India

2.3 Trends in literacy of women in India

2.4 Women and Fertility: Trends

2.5 Wages of women in India

2.6 An overview of trends in Andhra Pradesh with reference to sample district

2.6.1 Trends in literacy of women in Andhra Pradesh

2.6.2 Women work force participation rate in Andhra Pradesh

2.7 Summary

## **CHAPTER-3**

### **Study area profile, sample design and methods for data analysis**

3.0 Introduction

3.1 Study area profile

3.2 Demographic particulars

3.2.1 Population

3.2.2 Women's agency

3.3 District historical background and formation

3.4 Boundaries and topography of the district

3.5 Natural resources

3.6 Developmental activities

3.7 Sampling frame

3.8 Methods of analysis

3.8.1 Data

## **CHAPTER-4**

### **Review of literature**

4.1 Introduction

4.2 Work participation behaviour

4.2.1 Studies outside India

4.2.2 Studies in India

4.3 Fertility behaviour

4.3.1 Review of previous studies

## **CHAPTER-5**

### **Proximate Determinants of work participation of women**

5.1 Introduction

5.2 Empirical analysis

5.3 Concluding remarks

## **CHAPTER-6**

### **Analysis of fertility behavior**

6.0 Introduction

6.1 Religious composition and fertility

6.2 Caste and fertility

6.3 Educational status and fertility

6.4 Employment and fertility

6.5 Household income and fertility

6.6 Fertility behaviour- An empirical analysis

## **CHAPTER-7**

### **An analysis of work participation, fertility and wages: A simultaneous equation approach.**

7.1 Introduction

7.2 Models

7.2.1 3SLS results

## **CHAPTER-8**

### **Summary and Major Findings**

**Appendix**

**Bibliograph**
