

ACKNOWLEDGMENTS

At this juncture, I wish to express my heartfelt gratitude to all who have helped me at various stages of this thesis. I would like to pen down a few words about my guide who entrusted me this fascinating research problem. His vast experience along with his dedication and discipline was a constant source of encouragement for me. I wish to thank him from the bottom of my heart, for all the efforts and help I received during the project.

I wish to thank Prof. S. R. Jog for broadening my knowledge in field geomorphology. I wish to thank Prof. V. S. Datye, HOD, Geography department, Pune University for his kind cooperation.

I am thankful to Dr. Sampada Joshi, Principal, Sinhgad College of Science, for various acts of kindness and providing me necessary facilities. I gratefully acknowledge her for all the help she had extended to me during the completion of this project.

I wish to thank my friends for their support and help, particularly, Dr. Anargha Wakhare, Amit Dhorde, Dr. Subhamita Chaudhuri, Vinit Phadnis, and Mrs. Snehal Yerwadekar.

I wish to express my gratitude towards my parents and my in-laws for their encouragement and support.

The last but not the least, I wish to thank my wife for her support, help and understanding throughout this project.
