ACKNOWLEDGEMENTS

I have immense pleasure in expressing my sense of gratitude to my esteemed guide Prof. B. A. Jadeja for his flawless guidance during the present research work.

I am equally obliged to Prof. N. K. Odedara and Prof. Ullas Baxi, Department of Botany, M. D. Science College, Porbandar for their constant encouragement and inspiration throughout the tenure. I am also highly obliged to Dr. C. G. Joshi, the Principal, M. D. Science College, Porbandar for his great support during this work. I am also thankful to all the staff members of Biology Departments of M. D. Science College, Porbandar.

I am especially thankful to the Principal Chief Conservator of Forests, Gujarat State, for giving the permission to work in the sanctuaries which are laid down over Banas River. I am also thankful to the Deputy Conservator of Forests, Banaskantha Division and Asst. Conservator of Forests, Banaskantha Division to facilitate accommodation, forest guides and given permission to collect plant species. I owe a debt even to Mr. B. K. Gor (Range Forest Officer), Late. Harisinh Solanki, Forester, Mr. Sokat Chavda (Bit Guard) for their assistance.

The support and help rendered by Mr. Nilang Sanghvi, General Manager, Department of Geology and Mines, Banaskantha Division, Government of Gujarat at the beginning of my studies. I am thankful to Dr. Maunik Patel for his assistance rendered for the water and soil analysis.

I am especially thankful to Dr. P. S. Nagar, Professor, Botany Department, M.S. University, Vadodara for providing valuable guidance on alien species.

I am grateful to the Irrigation Division, Dantiwada and Deesa, Agriculture University, Dantiwada, State Water Data Centre, Gandhinagar, Agriculture Department, Gandhinagar and Indian Meteorological Department, Nagpur and all the agencies/departments for providing secondary data.

I am indebted to my many colleagues and friends for providing a stimulating and fun filled environment. My thanks go in particular to my dear friend Dr. Ankur Patel with whom I started this work and many rounds of discussions on my project with him helped me lots for achieving this goal. I am ever indebted to Mr. Tarun Shah and I admires his distinguished helping nature. My special appreciation goes to Mr. Yatin Patel for his help in species identification.

My gratitude is also due to the Gujarat Ecology Commission, Forests and Environment Department, Gandhinagar, for lending various technical and physical facilities throughout the tenure. I am equally obliged to Mr. Nischal Joshi, Senior Manager, Mr. Jarin Joshi, IT expert and Mr. Lomesh Brahmbhatt of Gujarat Ecology Commission for their constant help, encouragement and inspiration throughout the research.
I am also thankful to Mr. Kirit Solanki for providing transportation support throughout the tenure and thankful to Mr. Ajit Jadav and Pugmark Qmulus Consortium, Ahmedabad for excellent Computer Designing work for this thesis.

It's my fortune to gratefully acknowledge the support of some special individuals. I would like to extend my sincere and profound gratitude to my beloved parents Mr. Hasmukhray Jha and Ms. Darshna Jha, for their flow less care and support. This thesis is the result of my parents who were always there when I really needed. Thank you doesn't seem sufficient but it is said with appreciation and respect to both of them for their support, encouragement, love, care, understanding and precious friendship.

It is also a pleasure to mention my best friend cum sister, Rahi Jha and my younger brother Nilay Jha for their love, care, support and creating a pleasant atmosphere for me here.

I convey special acknowledgement to my Grand Father and my Foi, Asha Jha for their all good wishes and blessings.

Ones again, I am heartily thankful to my loving family for giving me this big opportunity with their blessings, love and economic support and motivate me for my work.

Last but not least, I would like to pay high regards to all the persons who sincerely encourage me and inspire me throughout my research work and lifting me uphill this phase of life. I owe everything to them. Besides this, several people have knowingly and unknowingly helped me in the successful completion of this project.

KRUPA JHA
