Acknowledgement

It is my great privilege and honor to work under the guidance of Dr. Gauri R. Kulkarni, Associate Professor in Physics, Director, School of Basic Medical Sciences, Department of Physics, University of Pune for this thesis. My guide Dr. Gauri R. Kulkarni taught me basic concepts of Biophysics, especially basic experiments in biophysics such as Electro Cardio Gram (ECG), Electroencephalography (EEG), Visual evoked potential, A to D Converter, handling of Neurosignal Recording system as well Data Acquisition system & effects of laser interaction on biosystems etc. My guide is very sincere, hard worker & solving the problem for experimental as well as others. Due to her continuous help and guidance, I pursue my knowledge in biophysics as well as experimental.

I am thankful to Prof. P.B. Vidyasagar, Head, Department of Physics, University of Pune, Pune-411007 for providing me the facility, such as FTIR, SEM, UV Spectrometer & Fluorescence etc.He has been very helpful and guided me in many difficulties.

Dr. Banpurkar A.G. (Assistant Professor), Department of Physics, University of Pune, taught me how to measure the diameter & thickness of SEM for human Red Blood Cells using image J software as well as calculation of Radiation dose for human erythrocytes.

I am thankful to Prof. Bhoraskar S.V. & Prof. Bhoraskar V.N. (Emeritus Scientist, Department of Physics, University of Pune) who helped me in spectroscopic study of Fluorescence as well as FTIR spectra of cockroach nerve tissue & chitin.

I am heartily grateful to Hon’ble Shri. Ajitdada Pawar (Deputy Chief Minister, Government of Maharashtra, President of Pune District Education Association, Pune) & Hon’ble Shri. Satish Ursal (Secretary, Pune District Education Association, Pune, Member of Senate / Management Council, Chairman of Standing Committee, University of Pune, Pune 411007) to give me an opportunity for two year UGC teacher fellowship for doing research in Department of Physics, University of Pune under the guidance of Dr. Gauri R. Kulkarni.
I am grateful to President Nominee Hon’ble Shri. Sandeep Kadam, Pune District Education Association, Pune, Shri. Mohanrao Deshmukh (Treasurer), Shri. L.M. Pawar (Deputy Secretary). He gave me an opportunity for two years UGC teacher fellowship programme in Department of Physics, University of Pune & continuously supported my research work.

I am thankful to Dr. M. G. Chaskar, Principal, Baburaoji Gholap College, Sangvi & Academic Council Member, University of Pune, gave me perfect guidance for research work as well as international conferences and extended my leave at crucial time.

Thanks to ex-Principal S.N. Kukale, Principal Dr. Zaware B.N, Principal Misal R M & vice Principal S. D. Aghav to give me an opportunity for teacher fellowship as well as moral support.

I also thank to Shri. Nitin Khodade, Shri. Vikram Kale, Mr. Santosh Dhore and Mr. Rohan Ursal for helping me at the time of UGC teacher fellowship program for two years & supporting me for every administrative work related with research and others.

I am thankful to my mother Mrs. Padamini Hanumant Ghadage, father Shri. Hanumant Ghadage as well as my father-in-law Shri. Ramesh Pasalkar, mother-in-law Mrs. Asha Pasalkar who taught me how to handle the situation & solving the difficulties for research as well as other.

My wife Mrs. Poonam Vijay Ghadage is very helpful in nature, solving school problems of my two beautiful children Aniket Ghadage & Atharva Ghadage at the time of my research work. Due to her help I completed my research work within the prescribed period. She has supported me continuously and enthusiastically.

My brothers Shri. Motiram Ghadage, Jotiram Ghadage, Suresh Ghadage, Shadeo Ghadage, Mahadeo Ghadage, Sharad Ghadage & Vinayak Ghadage, Sister Neeta, Tai, Abhay and Akka gave me moral support at the time of my research work. I am also thankful to my Bhachi Mrs. Nanda Bagal, Mrs. Jaya Galande, Shri. Sarjerao Bagal, Vijay Galande, Abhijeet Pasalkar, Mrs. Anjali Pasalkar, Mrs. Gauri Konde, Shri. Ravindra Konde, Tanaji, Deepak & Sanjay Jadhav, Nana Asabe, Kishor Asabe, Shri. Shrimant Mane, Mr. Priyatam Bhalerao, Shri.Sawant patil, Vilas Ghadage, Vishnu Ghadage, Prakash Dhamdhere, Mrs. Mhadevi Dhamdhere & Shri. Babanrao Dhamdhere, who were helpful to me in every aspect.
Thanks to my friend Dr. Rajesh Kanawade (Germany), expert in laser tissue interactions in human RBC. He sent me the maximum number of research papers for review of my Ph.D work. Dr. Sudhir Husale (Scientist, NPL Delhi) experts in biophysics especially for neurosciences as well as laser interactions with tissues. He helped me in my research work & how to write good thesis in prescribed format.

Baburaoji Gholap College, Sangvi, my colleagues Shri. S.D. Aghav (Head, Department of Physics), Dr. S. R. Chaudhari (Management Council Member, Senate Member, University of Pune), Shri. P N Shelke, Miss. Jyoti Yande, Rupali Jadhav helped me for Academic work in college & encouraged me during my research work.

Our colleagues Dr. R A Pawar, Dr. Sangeeta Jagtap, Dr. B.M. Paradeshi, Mrs. Shewale M.N., Latesh Nikam, Shinde B. M., Dr. Hase C. P, Dr. T. T. Mane, Sathe A. D, Dr. Bhalerao S.N., Vijay Ghare, Mrs. Jyoti Yadav, Mrs. Misar M.S., Vilas More, Prashil Deshmukh, Mrs. Kumud Gujar, Mrs. Sonal Kadam, Sonttaker S.M, Mrs. Tryambake M.C., Dr. M.K. Dhimal, Mrs. Vaishali Naik, Mrs. Nanda Rasinkar, Mrs. Savitri Jadhav, Jitendra Wadsinghkar, Dr. Dhage S.K., Vikram Maltumkar, Dr. S.N. Mane, Dr. Ghorpade T.B., Dr. Waghmare D.V., Dr. Sasane P.S., Physical Director Dr. Yogesh Pawar, Laware B.M., Avinash Humbare, Mr. Jambhulkar D.S., Dr. W.S. Khandewale, S.S. Jagtap, Mrs. Waghmode P, Mrs. Sonar S.V., Kumbhar Manisha as well as non teaching staff Shri. Alkunte S.V., Miss. Gaikwad A.B., Mr. Sabale G.S., Shri. Narayan Marane, Mrs. Varsha Shinde, Mrs. Sneha Sontakke, Pranit Pawale, Ramdas Chinchwade Sunil Jagtap, Mrs. Nilam Jagtap, Popat Shinde, Subhash Nagpure, Rohit Shinde, Mawali Sakhare, Nilesh Shinde, Gaikwad B.G., Sachin Pradhan, Anil Chandare, Santosh Kumbhar & others gave me good support at the time of my research work.

I am thankful to Prof. S.I. Patil, Dr. K.P. Adhi, Dr. S.D. Dhole, Dr. Nandu Choure & Prof. Vilas Tabhane to give me guidance for laser as well as encouragement to my research work.

I also thanks to ex-Dean & Principal Shri. Gaikwad V.B. helping me at the time of my Ph.D registration & my UGC teacher fellowship. I would like to thanks Dr. K.C. Mohite (Dean of Science Faculty) & Physics Board of studies Chairman Dr. Waghi, University of Pune, Pune-411007, to help me for my Ph.D administrative work.

My research colleagues Mr. Sagar Jagtap, Mr. Vivek Jadhav, Mr. Wasim Sayyed, Mr. Vijay Ghodake, Mrs. Madhuri Deshmukh, Mr. Shaildra Kamble, Mr.
Kailas Sapnar, Mr.Sadhu Kolekar, Sandhya Singh, Miss Eakta Ghathe, Jyotsana Dixit, Avinash Aher, Atul Khire, Shashikant Gunjal, Ranjit Kashid, Sandip Patil, Deodatta Shinde, Sheetal Kahane, Shivaji Sonawane, Shahzad Akhtar, Darshna Inamdar, Chinmay Phadnis & Chiti Tank helped me in Department of Biophysics at the time of my research work and gave a good company.

Mr. Sujeet Lolage is a very co-operative person for every time. He was helpful to me to take the spectra of FTIR, UV of human RBC as well as cockroach chitin & nerve fiber. Thankful to SEM Operator Mr. Suresh Shinde to give me SEM of RBC within a short period. I am also thankful to Biotechnology research students Mr. Rajendra Patil, helped me for preparation of protocol for scanning electron micrograph of human Red Blood Cells. I specially thank to Mr. Ameya Pore (Ambai computers) for keeping my laboratory computer up-to-date.

I am also thankful to nonteaching staff, Department of Physics, University of Pune, Pune-411007 Mrs. Nikam Rajeeni, Kalpana Ovhal, Mrs. Chorage Sangeeta, Mr. Ghule Sunil, Mr. Angre Ravendra, Mr. Kadam D.T., Mr. Sayyed Liyakat, Mr. Guykar Nilesh, Mr. Maruti Kalbhor, Mr. Walimbe Avinash, Mr. Sunil Mate & Joshi D.G. for helping me in administrative work in Department of Physics as well as solving the LCD problem at the time of my Pre Ph.D synopsis.

I would like to thank our Pune university health centre's Mr. Vhatkar Tejendra & Kale Sir to provide me human blood for research purpose. I am thankful to Mr. Santosh, Zoology Department, University of Pune, for providing me insects for experimental purpose. I also thank to Ph.D section staff Mr. Deepak Pawaskar & Mr. Deepak Narke for helping me for administrative work.

I am thankful to my neighbors Mr. Daulat Jagtap, Mr. Uttam Suryawanshi, Mr. Sanjay Joshi, Mr. Mahesh Joshi, Mr. Murlidhar Patil, Mr. Vivek Dalvi, who had given me moral support and encouraged my Ph.D work.

I am thankful to UGC Secretary to give me financial support during my research work as well as international conference.

I am thankful to Director Board of Colleges & University Development (BCUD), Deputy Registrar (Planning and Development, Ph.D Section,), University of Pune, Pune-411007 for financial support for international conference in USA.

(Mr. Vijay Hanumant Ghadage)
