

ACKNOWLEDGEMENTS

I am so delightful that this journey has come to an end and as such, I would like to express my appreciation and gratitude to everyone who has in one way or another helped, encouraged, and supported me in this mission. It has been a long, but rewarding journey and would not have been possible without their ongoing encouragement and support.

First of all, I would like to thank *Allah* the Lord Almighty who; sustained my inner courage, faith, hope, and strength during the most excruciating moments. It is a great pleasure to acknowledge the assistance and contributions of a large number of individuals to this research effort. I am grateful to my guide Dr. S. M. Kadam for continuous encouragement, motivation, limitless patience and guidance to complete all the work of this research. I would like to extend my thanks and gratitude to his family for their hospitality and generosity.

I must acknowledge with deep thanks to members of Allana institute. The ongoing encouragement and interest shown by Allana institute's teaching and non teaching staff has been invaluable. I am indeed thankful to honorable Director Professor R. Ganesan and Dr. A. B. Roa, their kindness and patience during this journey are highly appreciated. I would like to acknowledge the debt I owe to Dr. Roshan Kazi. His help and support will be always remembered. My thanks are extended to Prof. Acharya and my colleague Junaid. Special thanks go to Dr. Araf Al-Haje Sana'a University for his advice and helped to choose the research topic.

Finally I wish to thank my family and friends who provided me with support during the most challenging moments. First and foremost my mother deserves my deepest thanks and respect for always believing in me and continued prayer, and my

sister Bilqius who was my greatest cheerleader her emotional support was the main reason behind the success in my academic and professional life, and have always been overwhelming me with her prayers. Special thanks to my sister Entesar, my brothers, and my brother's sons the light of my life, and all other members of my family. A word of thanks to my friend Mona you have made the difference in my life and I thank you for it.

Last but not the least I would like to render my sincere heartfelt gratitude to my life partner my support system, Dr. Taha for tolerance and understanding the sacrifices required whilst undertaking the PhD. I owe a lot to him for the unconditional support.
