

Acknowledgement

ACKNOWLEDGEMENT

I deem it a pleasure, in placing my esteem and my deep sense of gratitude to my respectable chairman Dr. S.Ganesh, Professor of Horticulture, Faculty of Agriculture and Animal Husbandry, Gandhigram Rural Institute (Deemed University), Gandhi gram for his inspiring guidance, affection and encouragement throughout the course of study. His kindness in approach transcended all formal limits and made an indelible impression in my mind.

I offer my sincere thanks to Dr. S. Anbu, Former Dean of Horticultural College and Research Institute, Tamilnadu Agricultural University, Periyakulam for his guidance and suggestions as external member of the Doctoral Committee for my Ph.D research programme.

My sincere thanks are due to Dr. S.K. Gopal, Programme Co-ordinator, Kxishi Vigyan Kendra (KVK), Gandhigram Rural Institute (Deemed University), Gandhigram for permitting me to pursue the study, for conducting the research trail at KVK premises. No words to thank for his encouragement, timely help and blessings upon me to complete my Ph.D programme in all the way.

I highly thankful to Dr. T. Senthivel, Dean, Faculty of Agriculture and Animal Husbandry and Professors Dr. T.T. Ranganathan, Dr. R. Udayakumar, Dr. G.S. Kaiman, Dr. M.S. Sundaramari and Dr.M. Seetlitalakshmi. I also thank Dr.K.Govindhan, Farm Superintendent, Mr.B. Devaraj, Lecturer and Mr. S.K. Gopalsamy, Ph.D Scholar and other teaching faculties and non-teaching staff of Faculty of Agriculture.

I am thankful to Mr. Gene Hale, Former Executive Director and the present executive Director of International Aloe Science Council Mr. Devon Powell for their valuable guidance and support for my Ph. D programme.

My whole hearted thanks to Dr. T. Vasanthakumar, Principal Scientist and Head, Medicinal Plants Section, Indian Institute of Horticultural Research, Bangalore for sparing the planting materials and providing technical advices as and when I approach him.

I am thankful to Dr. K. Balakrishnan, Professor of Plant Physiology, Dr. A. Ramcshkumar, Asst. Professor (Hort), and Dr. K.A. Shanmugasundaram, Asst, professor (Hort), Tamilnadu Agricultural University and Mr. Chandramohan, Coimbatore for their scientific help to complete this research programme in a better way.

I dedicate this Degree to my father Mr. K. GOPAL (late) and the word seems to be inadequate to express my gratitude to my beloved mother Tmt. G. Pappathy, my brother Dr. G. Prabakaran, my wife Tmt. Sharmila Alagukannan, my son A.S.Kavinsakthi and my family members. No words to thank my inspiration S. Arun, K. Matesh for their encouragement in all the way.

I extent my thanks to the staff of Krishi Vigyan Kendra Dr. A. Udayakumar, Mr. P.P. Saravanan, Mr. P. Venkatesan, Mrs. K. Srikumari, Mrs. M. Shahintaj, Mrs. R. Mariammal, Mr. A. Balagururaja, Mr. K. Selvakumaran, Mr. S. Nagajothy, Mr. Duraisamy, Mr. Thangarasu, Mr. Muthiah and Mr. Amulraj. I also thank Mr. P. Jeganath and Mr. K. Subramani, Assistant Agricultural Officers for his timely help in field and laboratory works.

My sincere thanks to TamilNadu Agricultural University, Coimbatore, M.S.Swaminathan Research Foundation, Chennai and FRLHT, Bangalore for their help in completing laboratory analysis.

To all others, who had helped me knowingly or unknowingly wherever they are, goes my thanks with the assurance that assistance will not be forgotten.

Finally, I wish to express my sincere thanks to Faculty of Agriculture and Animal Husbandry, Gandhigram Rural Institute (Deemed University), Gandhigram for having permitted me to pursue the studies on part time and providing necessary facilities during the course of this investigation.

(G. ALAGUKANNAN) 6/10/11
