

Acknowledgments

The present work has been carried out under the guidance of Prof H C Padhi. I take this opportunity to express my deep sense of gratitude for his inspiration, valuable suggestions, discussions and instructions during this experimental investigation. His interest, hard work and enthusiasm has always been a motivating factor for me to be able to complete this work.

I take this opportunity to thank Dr C R Bhunya as a collaborator at my early stage of this work. I am truly thankful to him because of his keen interest and incessant labour with me. I am also thankful to him for his kindness and generosity for helping me whenever I have required.

It is an immense pleasure for me to acknowledge my other collaborators. I am grateful to Dr. T Nandi and Mrs S Mishra for useful discussions and help during the experiment. I am also thankful to Prof D Trautmann of University of Basel, Switzerland for theoretical discussions through e-mail and for his collaborative assistance in the theoretical SCA calculations presented in this thesis.

It is my pleasant duty to acknowledge Prof D P Mohapatra, Prof. S N Sahu, Prof B N Dev, Dr Siksha Verma, Prof C R Prahara, Prof D N. Tripathy, Prof L Satapathy, Prof S. P Mishra, Prof S N Behera and Prof (Miss)P Deo of Ravenshaw college for their consistent encouragement.

I am grateful to S Sarangi, A Gopalkrishnan, A Das, M Bose, R. C Nayak and other pelletron staff for their help during the experiment. I am also thankful to Mr D C. Ephraim of TIFR and Santosh Kumar Choudhury for preparing the targets required for the experiment. My thanks are due to Mr A K Behera and R Das for a helping hand to the electronics and technical problems. I thank Ramakanta Nayak, draftsman for preparing the figures for the present work.

I would like to thank my colleagues Dr K. Sekar, Satyam, Yadav, Ravi, Goutam, Saroj, Nanda, Nandi, Sunderavel, Gobinda, Bibhu, Sanjit and Amal for sharing the

pleasure of many useful conversations during the present work.

It is also a pleasure to thank Dr S Sahoo, Dr D Sa, Dr S Patra, Dr. P Panda, Dr P Sahu, Bijay, Munshi, Sanjay, Uma, Giri, Pradyot, Supriya, Umesh, Piyush, Subodh, Haranath, Manideepa, Sutapa, Prosenjit, Harvendra, Ram, Vikash, Koushik, Pareek, Lina, Gobinda, Champak, Diggal, Anindya, Pradeep, Mangobinda, Aziz, Supratim, Kamalakanta, Prasant, Joshi, Kamila, Soma, Sandeep, Biresh and Diptendu for their warm friendship, criticism and cheerful company

Lastly I am indebted to all my family members, especially to my elder brother Kartik Ch Dhal for providing me the best possible support and encouragement for my study
