CURRICULUM VITAE

Name : S. SivaNagaraju

Date of Birth : 01-07-1970

Educational Qualification :

DEEE Electrical & Electronics Engg. S.V. University First Class with Distinction

BE Electrical & Electronics Engg. Andhra University First Class with Distinction

M.Tech. Power System Engg. I.I.T, Kharagpur 8.33 CGPA

List of Papers Published / Accepted / Submitted for publication:

- 1) S.Sivanagaraju, N.Sreenivasulu and M.Vijayakumar, " Radial distribution System planning", Proc. of the **National Conference** on Q_R Power, 13-15 Oct.2000, Nagpur, pp.66-71.
- 2) S.Sivanagaraju, N.Sreenivasulu and M.Vijayakumar, "New method of load flow solution for radial distribution networks". proc. **All India Seminar** on Power System: Recent Advances and Prospects in 21st Century, 17th Feb. 2001, Jaipur, pp. 226-233.
- 3) S. S.Sivanagaraju, N.Sreenivasulu, M.Vijayakumar and D.Das, "Optimal conductor selection for radial distribution system", Proc. of the **International Conference** on Energy, Automation and Information Technology (EAIT-2001), 10-12 Dece-2001, IIT Kharagpur, pp.441-444.
- 4) S.Sivanagaraju, N.Sreenivasulu, M.Vijayakumar and T.Ramana, "A novel approach in radial distribution systems for cost of loss reduction", Proc. of the **International Conference** on Computer Applications in Electrical Engineering Recent Advances (CERA-2001), 21-23 Feb. 2002, IIT Roorkee, pp.102-110.
- 5) S.Sivanagaraju, N.Sreenivasulu, M.Vijayakumar and T.Ramana, " Capacitor placement in radial distribution networks for loss reduction", Paritantra A **National Journal** of Systems Science and Engineering, Vol.7, No.1, Aug.2002, pp.12-20.
- 6) S.Sivanagaraju, N.Sreenivasulu, M.Vijayakumar and K.Satish Kumar, " A new Approach for Optimal capacitor placement in distribution systems", Proc. of the **National Conference** on Recent Trends in Electrical Energy Conservation and Management, 2-3 March 2002, Annamalai University, pp.257-265.

- 7) S.Sivanagaraju, N.Sreenivasulu, M.Vijayakumar and T. Ramana, "Optimal conductor selection for radial distribution systems", **International Journal of Electric Power Systems Research**, Vol.63, No.2, Sept.2002, pp.95-103.
- 8) S S.Sivanagaraju, N.Sreenivasulu and M.Vijayakumar, "Voltage Stability Analysis for radial distribution systems", Accepted for Publication in the **National Journal of IE (I)**, in June 2003 Issue.
- 9) S.Sivanagaraju, N.Sreenivasulu, M.Vijayakumar and N.Visali, " A simple method for feeder reconfiguration and service restoration of distribution networks", Accepted for publication in the **International Journal of Electrical Machines and Power Systems**.
- 10) S.Sivanagaraju, N.Sreenivasulu, M.Vijayakumar and T. Ramana, "Voltage stability analysis for radial distribution networks with and without compensation", Accepted for publication in January-March 2003 issue in the **International Journal of Water and Energy**.
- 11) S.Sivanagaraju, N.Sreenivasulu, M.Vijayakumar and T. Ramana, "Feeder reconfiguration for loss reduction in radial distribution systems", Communicated to **IEE Proc.-C (Generation, Transmission and Distribution)**.
- 12) S.Sivanagaraju, N.Visali, M.Vijayakumar, V.Sankar and N.Sreenivasulu, "Enhancing voltage stability of radial distribution systems by network reconfiguration", Communicated to **IEE Proc.- C (Generation, Transmission and Distribution)**.
