

## ACKNOWLEDGEMENT

I am grateful to the Almighty Allah for giving me the opportunity to complete my PhD thesis. May peace and blessings of Allah be upon His beloved Prophet Mohammed (SAW), his family, and his companions. Completing this thesis, I owe a debt of gratitude and thanks to many persons and institutions that have supported me throughout this difficult and challenging journey. While being thankful to all of them, I must register my gratitude to some in particular. First and foremost, I would like to express my deepest appreciation to my principal supervisor, Associate Professor **Dr. V. C. Borkar** , Head, of the Department of Mathematics and Statistics, Yeshwant Mahavidyalaya, Nanded who has been very patient in guiding and supporting me from the very beginning of my first arrival here in India and throughout the completion of this thesis. He has assisted me immensely in developing a correct focus for my study and has given me his valuable ideas, insights, comments and suggestions towards understanding the empirical predicaments I was encountering. Honestly. I would also like to convey my great thanks to my friend **Dr. Neeraj A. Pande**, who has been very kind to help me in my study. He has provided me with immense assistance during my difficult days in my Ph.D journey. Without their constant support and guidance- this thesis would never have been completed. My sincere and heartfelt thanks are due to Prof. **Obaid Jefain Julaighim Algahtani** for his financial supports during the journey of my Ph.D. Special thanks is due to Prof. **Salam Adel Zummo**, Dean of graduate studies at the

KFUPM, for his consistent help and encouragements throughout my studies in KFUPM and SRTMU. I would like to also express my special gratitude to my wife **Ibtesam Al-Shawesh**, for her patience especially during my absence, and the time she spent in prayer for me. I would like to also express my special gratitude to my daughter **Dr. Tasneem M. Salman**, my sons **Talal M. Salman** and **Salman M. Salman**. I would like to also thank my dear friends in India for the friendship rendered and assistance provided during my stay here in India and **SRTMU** in particular. To all academic and administrative staff in the **Yeshwant Mahavidyalaya, Nanded**, my sincere gratitude goes to you. I would like to express my never ending appreciation and gratitude to people in **YEMEN**. First and foremost, I would like to express sincere indebtedness to my father **Abdullah Salman** who has been a great and wise teacher in my life, and my lovely mother **Wardah Al-Shawesh** for her infinite patience especially during my absence, and for her sincere flow of love that has accompanied me all the way in my long struggle and has pushed me to pursue my dreams. A special thank goes to My brothers **Saleh, Ali, Ebraheem, Muneer** all of them supporting me from **YEMEN** especially during my stay in **INDIA**. I would like to thank My teacher **Ahmed Salman**. I would like to thank to Dr. Faiz Ahmed Al-Gobaei, who help me since the first day I came to India. I also would like to thank my friends for being there when it matters.

I would like to thank to all my friends for their constant supports and helps. Last but not least, to my family, friends,

teachers, brothers and sisters, I thank you so much for continuously giving me the undivided support and eternal prayers. To all of you, I have this to say: I love you, respect you, pray for you, and May Allah bless you.

**MOHAMMED ABDULLAH SALEH SALMAN**
