Acknowledgement

“I bow unto his feet and express my gratitude to Lord the Almighty, who has led my way and made me what I am and for his blessings to enable me to complete this project.”

God has vastly blessed me through people who always contributed to my studies. The completion of my thesis would not have been possible without their support and patience. To my guide Prof. Dr. K K Srinivasan, Dept. of Pharmaceutical Chemistry, Manipal College of Pharmaceutical Sciences, Manipal, goes my deep sense of gratitude for his constant encouragement, brilliant and valuable suggestions, dynamic and untiresome guidance throughout the course of study. His keen interest and ideas have eased the task of completing the project. Once again I sincerely thank him for everything.

I also pay my thanks and regards to Prof. Dr. Jyoti Harindran, Principal & Head of Research, Dept. of Pharmaceutical Sciences, Mahatma Gandhi University, Kottayam for extending research facilities of the Department to complete this research work and also for the time to time support and useful suggestions. I am extremely thankful to my former Principal Dr. (Sr.). N.A Aleykutty for constant encouragement and support.

I would like to express my sincere thanks to my teacher Prof. Dr. N Gopalankutty, MCOPS, Manipal, Mr. Mathew Joseph (New York City corporation), and Mr. George Andrews (CELTa Cambridge) IELTS Academic Head Darsana Academy, Kottayam, for their constant encouragement and involvement in the language correction and proof reading.

Words are not enough to express my heartfelt gratitude to my colleagues and friends, especially Dr. Cinu T A, Mr. Sajan Jose, Ms. Bobby S Prasad, Ms. Bindu A R, Dr. Veena R, Ms. Shakkeela Yusuf and Research scholar, Mr. Kannan R and Ms Asha C for their sincere co-operation and timely help extended to me for the successful completion of my work.
I specially convey my gratitude to Dr. K R Krishna Kumar, Dr. Anil Kumar N, Dr. Sibi P I, Mr. A J Chacko, Mr. C Pramod and my colleagues in the sister-institution DPS, RIMSR, Puthupally, for their moral support.

A special thanks to all office and non-teaching staff, Mr. Jijimon V V, Mr. Santhosh Kumar, Mr. Gopalakrishnan, Ms. Valsalakumari and Aleykutty (animal house) who have given whole hearted technical support during my work in the laboratory as well as in the animal house.

I also extend my sincere thanks to Dr. Sudheer Moorkoth, Dr. Jessil Mathew and Dr. Sreedhara Pai, who belong to MCOPS, Manipal and Dr. P Muralidharan, CL-Beid Metha College of Pharmacy, Chennai, for their valuable suggestions and help.

Very special thanks to Dr. J G Ray, Dept. of Biosciences, MG University for valuable guidance, critical suggestions, constant support and encouragement throughout the period of Ph.D. course work 2014.

Sincere thanks to Dr. Joby Paul, Asst. Professor, Dept. of Botany, St. Thomas College, Trissur and Dr. Jomy Augustine, Post graduate & Research Department of Botany, St. Thomas College, Palai for identifying the plants selected.

I am mostly grateful to Director, CMFRI Cochin, for providing me brine shrimp eggs.

With pride and pleasure I express my sincere thanks to Dr. Rajesh Ramachandran, Director, Biogenix Research Centre for providing me the facilities to carry out part of the bioactivity studies in his research centre.

My sincere thanks to Dr. M C Joseph, Pathologist, Medical College, Kottayam for the histopathological studies.

I am also thankful to Mr. Abijith, Research scholar, IIRBS and Mr. Manoj, Technical staff, Department of Chemical Sciences, MG University for their help and support during my spectral studies.
