To my beloved wife

**Bushra Ahmed Ezzi Kateb **

My tongue can’t express How to thank you for your stood behind me and supported me right from the period of Post graduation up to time, you have blessed from almighty. I can’t say in front of whatever you have done for me except.

((Thank you))
Acknowledgment

I am humbled by the blessings that Almighty Allah has showered upon me all through my life, especially during the course of my research work, making all my investigations very successful. I hereby take this opportunity to acknowledge all those who helped me in the completion of this work.

More words are inadequate to express my gratitude to my research guide, Dr. P. A. Kulkarni, Associate Professor and Head of Department of Chemistry, Yeshwant Mahavidyalaya Nanded for his encouragement, never ending enthusiasm and continuous pondering over the deliberations and discussions challenged my scientific thinking to its core and helped me to make this research work very successfully. During my research tenure, I found him as a sympathetic and principle-centered person. He gave me a lot of inspiration and encouragement during my research work. Over the course of the last several years, Dr. P. A. Kulkarni has influenced and shaped my thesis research ability as well as my personality, for which I am very grateful to him.

I wish to express my gratefulness to Dr. A. N. Jadhav, Principal, Yeshwant Mahavidyalaya, Nanded for providing all necessary facilities.

I am very much thankful to Dr. S. M. More, Asst.Professor and Head of Department of Microbiology, Yeshwant Mahavidyalaya Nanded, and Mr. Shaikh Kuddus Yunus, Department of Microbiology, Yeshwant Mahavidyalaya Nanded, for antimicrobial screening of synthesized compounds.

I am thankful to Director RSIC, Chandigarh, Central Facilities for Research & Development, Osmania University, Hyderabad for providing spectral analysis, IIT Mumbai and ( Sophisticated Test and Instrumentation Centre) in Kochi University for providing the spectra of synthesized compounds.

I also express my special thanks to Dr. M. A. Baseer, Dr. S. P. Vartale, Dr. V. N. Bhosle, Dr. M. R. Mali, Dr. A. T. Suryawanshi, Dr. Mrs. S. N. Kalyankar, Dr. S. B. Junne, and Dr. G. S. Waghmare for their valuable guidance and support. All respect and appreciation to all my dear teachers who are teaching and support me at the School of Chemical science : Dr. Mrs. Makone S. S. Professor & Director of school of chemical science, Dr. Zubaidha P. K, Dr. Dawane, B. S, Dr.
Yemul, O. S, Dr. Kamble, V. T, Dr. Tale, R. H, Dr. Krishna Chaitanya, G, Dr. Wankhede, D. S, Dr. Hangirgekar, S. P, Dr. Puyad, A. L and Dr. Deosarkar.

I would express thanks full to Ms. Habib Seema Isa Department of Chemistry Faculty of Organic Chemistry at G.M.Momin Womens College Bhiwand.

All the thanks and appreciation to Mr. Shekh Saddam Husen for the work of analyzing infrared spectrometers.

I am also thankful to P. S. Sontakke Mama, D. N. Bhalerao, Umrikar, Shinde and the whole non-teaching staff of the Department of Chemistry at yeshwant college for their kind assistance. I wish to extend my appreciation to my research lab colleagues Mr. B. D, Kalyankar, Mr. N. B. Wadwale, Mr. P. R. Jagtap, Mr. D. S. Kawale, Mr. G. B. Rahatiikar and Mr. R. R. Vidule for the priceless friendships & discussion of organic and inorganic chemistry I really enjoy over the years.

I would express my deep appreciation and gratitude to my parents who departed from our world, I can only pray for them, There are no words to express my appreciation just pray for them.

I am also thankful to my deep appreciation and gratitude to all my brothers, sisters. I would like to offer my special thanks to our friend Mr. Abbass Obaidullah Al-Ahmadi and his wife in Saudia Arabia, who have been a source of moral support and confidence.

Words may fail to express my deep gratitude to Mr. Syed Asadullah, Ruby Academy, Nanded, who has been always supporting and a source of confidence.

My special thanks to my wife, my beloved daughters Hams, Fadwa, and Batul for all their curiosity and excitement regarding my work which helped me to find new avenues in this research work. This work would not have been possible without their constant support, encouragement and love.

Last but not least, I am thankful to my husband for having put with the inconveniences caused during the entire period of research activities and care for my feelings. This work would not have been possible without his constant support, encouragement and love may Allah reward him all.

Thank you, one and all

Mr. AbdulKareem Ali Hussein
