Acknowledgement

After a great success it will be less to say anything to those people who are behind the success, as there is no other way to express one’s feelings of love and gratitude to those people, I take privilege to acknowledge all those who helped me in completion of the work. I want to acknowledge those peoples without whose presence this research work would be a mere dream for me. I take this golden opportunity to express my heartfelt thanks to all those who have contributed directly or indirectly to the success of this Ph. D. work.

I am very much grateful and deeply indebted to my Co-supervisor Professor (Retd.) Biswanath Dinda and Supervisor Dr. U. C. De, Department of Chemistry, Tripura University for rendering constant supervision, encouragement, support, helpful suggestions, valuable discussion and advice during my Ph. D. work. I took advantage of the occasion they gave me to work their untiring and dynamic supervision to learn a great amount during this time. I have enjoyed the stimulating and pleasant atmosphere in their research group.

I would express my honour and gratitude to Prof. S. Roy, Director, IICB, Kolkata; Prof. S. Ghosh and Dr. S. Singh, IACS, Kolkata; Prof. Hans-Joachim Knölker, Department of Chemistry, Technical University of Dresden, Germany for providing NMR (1D and 2D) and Mass spectral analysis of isolated compounds.

I would like to thank Prof. R. K. Nath, Head, Department of Chemistry, Tripura University for providing instrumental, laboratory facilities for smoothly conducting my Ph. D. work and constant inspiration and suggestion.

I would like to thank to Dr. Surajit Bhattacharjee, Department of Molecular Biology and Bioinformatics, Tripura University for his kind help in biological testing of the isolated compounds.

I am also thankful to Prof. A. Basak, University of Ottawa, OHRI, Canada, for his kind help for biological testings of some compounds.
I would also like to thank Prof. M. K. Singh, Prof. D Sinha, Dr. R. N. Dutta Purkayastha, Assoc. Professor; Dr. S. Majumder, Assoc. Professor; Dr. S. Chowdhuri, Lecturer; Dept. of Chemistry, Tripura University for their unlimited co-operation and suggestions throughout the Ph. D. work.

Moreover, I also thankful to all non-teaching staff of Dept. of Chemistry, Tripura University, for their co-operation.

I am grateful to Librarian and all the staff of Digital Library, Jadavpur University, Kolkata for providing Scifinder facilities and also for access of various Journals and Books at their library.

I am very much thankful to Prof. B. K. Datta, Department of Botany, Tripura University for identification and authentication of the plant materials.

I express my heartfelt thanks to Dr. Partha Sarathi Ghosh, Dr. Niranjan Das, Dr. Rajarshi Banik, Mr. Indrajit SilSarma, Mr. Sajib Choudhury, Mr. Joyanta Bhowmik, Mr. Ranjit Ghosh, Mr. Tapas Das, Mr. Sukhen Bhowmik, Mr. Mitun Paul, Mrs. Jayasree Nath, Miss Indra Ghosh, Mr. Amitabha Sharma, Mr. Kalipada Adhikari, Miss Jinuk De, Mr. Mithun Chakraborty, miss. Ankita Chakraborty, Dr. Smita Majumder, Mr. Arnab Battacharya, Mrs. Pinki Saha and all other research scholars of Department of Chemistry, Tripura University for their valuable suggestion, encouragements, co-operations in various stages of my Ph. D. work.

I am grateful to Council of Scientific and Industrial Research, New Delhi for the award of Research Fellowship (JRF and SRF).

I also wish to express my deep sense of regards to my parents for their blessings, inspiration, love and affection. Their blessings have helped me in reaching this goal.
