ACKNOWLEDGEMENT

It is true that I could not do what it should be.

First of all I would like to thank Almighty Allah who has created this beautiful world and everything in this world. Nothing can be done without His command.

I wish to take this opportunity to express my deep sense of gratitude and thanks to my supervisor Dr. Mohammad Faique for his keen interest, inspiration, encouragement, painstaking correction and watchful supervisions.

I express my profound gratitude to Dr. N.A. Khan, Head of the Department Arabic, Persian, Urdu & Islamic Studies, Visva-Bharati and all my respected teachers of this Department Dr. Wasif Ahmed, Dr. Atiqur Raham, for their kind help and encouragements which made possible to prepare this thesis.

The most important motivating force behind the completion of this work was my father Md. Samsul Hoque and my mother Dolehar Bibi. I would like to express my humble gratitude to their loving encouragement and moral support.

I am thankful to many friends, who helped me in various ways in different stages of development of this thesis.

I acknowledge with thanks UGC, Register, Deputy Registers and Library of Visva-Bharati who helped me out to pursue and complete my Ph.D Thesis.
