

AKNOWLEDGEMENTS

I express my deep sense of gratefulness to all those who have given me every possible help and valuable guidance to complete this work. First of all I express my gratitude to my teacher and guide Prof. N K. Ojha, former, chairman of the department of Ancient Indian History, Culture and Archaeology, Chandigarh , who not only suggested me the topic but also helped me passing the various hurdles in the process of the research work. I am equally grateful to Prof. Ashvini Agrawal, former Dean Arts faculty and former chairman of the department of Ancient Indian History, Culture and Archaeology who patiently listened to my queries and helped me in solving them. I am highly indebted to Dr. Parul Bal Sidhu, Chairperson, Department of Ancient Indian History, Culture and Archaeology, Panjab University, Chandigarh for rendering me continuous support during the course of my research work.

I don't find words to express my indebtedness to my mother Smt. Bhupinder Kaur for rearing me up single handedly after the demise of my dear father Sh. Sukhjit Singh. She believes in imparting higher education to the girls in spite of the fact that she remained all her life in a backward area of the Punjab. My brother Shivcharanjeet Singh and my sister-in-law always stood by my side and gave me the emotional support whenever I needed the most.

I also place on record my sincere thanks to my dear friends Harmanpreet Sandhu, Sarika Dhiman and co research scholars of the department.

I am also very thankful to all staff members of the Department of Ancient Indian History, Culture and Archaeology and also the staff members of the A.C. Joshi Library, Panjab University, Chandigarh for their regular help to provide me the required valuable data for the present study.
