ACKNOWLEDGEMENT

First and above all, I admire God, the almighty for providing me this opportunity and granting me the capability to proceed successfully. As thesis seems to acquire this final form, my memories unreel in my mind reminding me of the ups and downs confronted during these years. I learned that only way we are going to get anywhere in life is to work hard. Problems can become opportunities when the right people come together. I found out that right people and this is the correct time to say my thanks to those right people. So this is not just the formal thanking, but the deep gratitude, which comes from my heart.

First and foremost I would like to express my deepest appreciation and profound gratitude to my supervisor Dr. Bharat Bhusan Subudhi, Associate professor, School of Pharmaceutical Sciences, SOA (Deemed to be University) for accepting me as a Ph.D. student; you have been a tremendous mentor for me. I would like to thank for your warm encouragement, thoughtful guidance, critical comments, and correction of the thesis. Your advice and supports have been priceless.

I sincerely acknowledge with a deep sense of my gratitude towards my loving and respectable mentor Dr. Pratap Kumar Sahu, Associate Professor, School of Pharmaceutical Sciences, SOA (Deemed to be University) for his precious guidance and steady encouragement that framed the foundation of this research work. His discipline, simplicity and principle will be treasured in all walks of my life. I have been deeply inspired from his dynamism, vision, sincerity and motivation. I am blessed to work and study under his untiring guidance.

I sincerely acknowledge with a deep sense of my gratitude towards Dr. Sudam Chandra Si, Dean, School of Pharmaceutical Sciences, SOA (Deemed to be University) for his valuable suggestions throughout my research work.

I gratefully acknowledge the funding received towards my PhD from the Life Science Research Board, Defence Research and Development Organisation (Project No. DLS/81/48222/LSRB-266/EPB/2012). I greatly appreciate Siksha O Anusandhan (Deemed to be University), Bhubaneswar for providing me the necessary facilities for carrying out my research work.
Support and help bestowed upon me by my seniors and colleagues Mr. Tapas Ranjan Satpathy, Dr. Vijay Singh, Dr. Harish Chaudhury, Dr. Jyotirmaya Sahoo and Mr. Susanta Kumar Rout will always be remembered.

I would also like to thank all the non-teaching staffs specially Mr. Tilak and Mr. Arabinda Parida for their support during my research work.

How can I forget the tender love and care of my friends and lovely juniors Prashant Tiwari, Alok Moharana, Prashant Das, Puskar Sarkar, Rudranarayan Dash, Amar Pati, Monalisha Dash, Madhu and Rinky whose innocent smile and silent support always helped me. I extend my heartiest regards to them.

A special thanks to my family. Words cannot express how grateful I am to my father and mother, for all of the sacrifices that you’ve made on my behalf. Your prayer for me was what sustained me thus far.

Finally, my thanks go to all the people who have supported me to complete the research work directly or indirectly.

Shakti Ketan Prusty
