CONTENTS

CHAPTER - 1 .................................................................................................................. 1-27
INTRODUCTION
  1.1 Background and Context
  1.2 Doctors
  1.3 Nurses
  1.4 Psychological well being
  1.5 Self efficacy
  1.6 Occupational stress

CHAPTER – 2 ............................................................................................................... 28-55
REVIEW OF LITERATURE
  2.1 Overview
  2.2 Relevant research to psychological well being
  2.3 Relevant Research to self efficacy
  2.4 Relevant Research to occupational stress

CHAPTER – 3 ............................................................................................................... 56-67
METHOD
  3.1 Introduction
  3.2 Aim
  3.3 Objectives of the Study
  3.4 Hypotheses
5.3 Hypotheses related discussion
5.3.1 Discussion of Hypothesis 1
  5.3.2 Discussion of Hypothesis 2
  5.3.3 Discussion of Hypothesis 3
  5.3.4 Discussion of Hypothesis 4
5.4 Implications of the study
5.5 Limitations of the study
5.6 Scope for further study
5.7 Conclusion
