Acknowledgement

My sincere thanks and deep gratitude to the following:

Dr. N.L. Srimathi, Professor, Department of Studies in Psychology, Mysore University, who in the true sense was like my mother, philosopher and guide; who nurtured, stimulated and helped me in enhancing my research knowledge, provided the expertise, resourcefulness and scientific curiosity required to help me plan, develop, and execute this research.

My sincere gratitude to the doctoral committee, Dr. G. Venkatesh Kumar, Dr. Prakash P., Dr. Sampath Kumar, Dr. Lancy D’Souza, Dr. Ramakrishne Gowda H.M for their precious suggestion, in accomplishing my project.

My heartfelt thanks to my family members; My Daughter Yuktha, my husband Kiran.C.V, my parents, my sister, my parent in laws and my sister-in law for their moral support and encouragement throughout the process of my doctoral studies.

Special thanks to my Principal Dr. R. Nagarathnamma, for her great support, my HOD, friends and colleagues in the BMS College for women, Bangalore, for there priceless help and support in completing my project.

I am grateful to all the Principals and teachers of the selected colleges of Bengaluru, for their timely help and cooperation provided during my research, at the same time I would extend my gratitude to all the research participants without whom the project would not have been completed.
