ACKNOWLEDGEMENTS

I wish to express my gratitude to my guide Dr. Lancy D’Souza, Associate Professor in psychology, Maharaja’s College, Mysore for his guidance in formulating, developing and implementing this research.

My sincere thanks to the doctoral committee Dr. Basavarajappa, Dr. Prakash, P., Dr. Kiran Kumar S K., Dr. Mewa Singh., Dr. G. Venkatesh Kumar, Dr. Jyothi Madgaonkar, Dr. Srimathi and Dr. Sampath Kumar for their very useful suggestions for carrying out this project.

I acknowledge the help and support provided by the Staff of the Department of Psychology, University of Mysore.

I wish to thank all the principals, teachers, parents and administrative staff of the selected schools in Mysore district, for their consent and cooperation during data collection.

My warm thanks to the staff and children for permitting me to collect the necessary data. I would like to acknowledge the help and encouragement given by my friends Manju H K, Kusum George and Channu.

I owe my deepest gratitude, now and always to Sir Guruprasada Rao, S R, a keen eyed and a patient mentor for being a positive influence throughout.

I am also very grateful to my family for their constant assistance all through the study.

Many thanks to everyone who directly or indirectly contributed to this work.
