

Acknowledgement

I would never have been able to finish my thesis without the guidance of my research supervisor, help from friends, and support from my family.

I am immensely pleased to place on record my profound gratitude and heartfelt thanks to my research supervisor, **Dr. Noor Shahina Begum**, Professor, Department of Studies in Chemistry, Bangalore University, for her excellent guidance, caring, patience, providing me with an excellent atmosphere and provided inspiring guidance for the successful completion of my research work. I sincerely thank her for introducing me to an exciting interdisciplinary field of 'Crystallography'. She is an excellent advisor and trainer in scientific research and her constant encouragement made me work better. Her appropriate supervisory interventions have contributed immensely to the production of this thesis. Her words can always inspire me and bring me to a higher level of thinking.

I am very thankful to **Prof. L. Gomathi Devi**, Chairperson, DOS in Chemistry, Bangalore University, for her co-operation, support and the kind assistance. I would like to gratefully and sincerely thank **Prof. M.A. Pasha** and **Prof. K.R. Nagasundara**, for the academic support and the facilities provided to carry out the research work in their capacities as former Chairmen, DOS in Chemistry, Bangalore University. I also thankful to all the teaching and non-teaching staff of the department for their support.

I take this opportunity to sincerely acknowledge University Grants Commission (UGC), New Delhi, for providing financial assistance in the form of "**Basic Science Research (BSR) fellowship in science for meritorious students to promote quality research in University Departments**", which buttressed me to perform my work comfortably.

My special thanks are due to all the referees, outstanding researchers themselves, who reviewed my published work and offered constructive criticism which bettered the quality of my work.

I wish to thank my seniors Dr. Nagarajaiah. H and Dr. Nikhath Fathima whose earlier work provided me the necessary direction and comfort to pursue my own with

confidence. I thank my juniors Prasad N.L, Subhani M.M, Shraddha and Radika Bhat for their help in various ways.

It gives me great pleasure to express my thanks to all my friends in the central college Dr. Somashekhar, Dr. Jaganath, Dr. M.A. Venkatesh, Dr. Raghu G.K, Dr. Nagabhushan, Dr. Anandappa, Shivanna M, Ramesh K B, Bharathkumar H, Dakshayani S, Keerthy, Manjunath A S, Krishnamurthy M, Vijaykumar, Eranjaneya H, Prashanth, Shamala D, Shilpa, Kusuma, Srinath, Supreeth, Kiran, Riyaz, Sumayya, Santhosh, Srinivas, Manohar, Babu Rajeev, Imran and Omkarmurthy,
