

Acknowledgements

I wish to express my deep gratitude to my supervisor **Prof. Surya.S.Singh** for giving me an opportunity to work with him and for his supervision, constant encouragement and constructive criticism. I also want to express my special thanks to **Dr. Jyothi** madam for their encouragement.

It is my pleasant duty to express my sincere thanks to all the **faculty members** of the Department of Biochemistry, Osmania University for their generous help during my research in the department

I wish to express my heartfelt gratitude to my beloved teacher **Late Dr. Babu Rao** for his constant support and who helped me a lot to join for PhD at Biochemistry, OU, Hyderabad.

I would like to express special thanks to **Prof. P. Prakash Babu**, Department of Biotechnology and Bioinformatics, SLS, University of Hyderabad for providing the facility to work in his laboratory.

I wish to express my special gratitude to **Dr. Raghu Gogada**, INSPIRE Faculty (DST), Department of Biotechnology and Bioinformatics, SLS, University of Hyderabad, who shared with me a lot of his expertise and research insights. He provided a constructive comments during my research as well as on the final version of this thesis.

I would like to thank **Dr Jens Klockgether**, Clinical Research Group - OE 6711, Ped. Pneumology and Neonatology, Hannover Medical School, Carl-Neuberg-Str. 1, 30625 Hannover, Germany for sending me the Wild type strain (*P. putida* KT2440) and **Dr. Agnes Rodrigue**, University of Lion, France, her good pieces of suggestions during technical discussion.

I would like to express my sincere thanks to all my teachers for their support and guidance throughout my career.

The wholehearted cooperation of my fellow research scholars **Dr. Abdhul Quadeer**, **Dr. Rajesh**, **Dr. Sandepta**, **Dr. Nalini**, **Pratibha**, **Dr. Rajaji**, **Dr. Sreedhar**, **Dr. Kareem** for accomplishment of this thesis.

I would like to express my heartfelt thanks to all the research scholars and friends **Veerababu**, **Sugunakar**, **Sudha** for their support, help and for making this journey and the research effort memorable.

I would like express my special thanks to all my present lab mates and beloved friends.

*I would like to extend my thanks to our technical assistants **Yellesh, Yadgiri and Vijay**.*

*I would like to express my thanks to all the **non-teaching staff**, Department of Biochemistry, Osmania University, and Hyderabad.*

*I would like express my heartfelt thanks to **Niharika, Saradha, Chitra** for their generous help during AAS samples analysis at CFRD, OU.*

*I would like to express my special thanks to my loving husband **Vittal Kumar**, for his constant encouragement and criticism through out my career.*

I am immensely indebted to my parents, siblings and sister-in-laws for their everlasting support and patience during my research career and my special thanks to sweet little one's of my family.

*Finally, the financial support received from **RGNF- JRF and SRF (UGC), DBT-ISLARE and UGC-SAP** to carry out my research work is greatly acknowledged.*
