Acknowledgement

While one name appears on this cover of the thesis, the support and encouragement of many individuals have made this research project possible.

The researcher wishes to express his sincere appreciation and gratitude to his supervisor Dr. Ashfaque Alam, Assistant Professor in Management Department, Jharkhand Rai University, for his invaluable professional assistance. The researcher, therefore, records special recognition to him for being an excellent supervisor, whose confidence in the researcher enabled this research to be completed.

The researcher would also like to express his gratitude to Dr Sanjeev Sinha, PhD Coordinator, Jharkhand Rai University for his valuable guidance.

The researcher is grateful to Prof Vishal Gupta, IIM Ahmedabad, who guided the researcher to complete the statistical analysis in the research. The researcher would like to record his gratitude to his colleagues specially Mrs Pompi Sen Dasgupta, who was a constant support whenever the researcher needed some information about the institutions.

The researcher is indebted to his mother, father, wife and his sons Rahul and Rehan who has supported him to the full in his efforts to complete the research project.

Finally, the researcher would like to thank everybody who agreed to give their contribution in different forms like proof reading, feedback or any type of help.
