Acknowledgement

I prostrate to Shri Hanuman Ji Maharaj, the supreme and the ultimate Guru of the universe with whom all writings are possible. Without the divine downpour of His blessings it would have not been possible for me to go this far.

I would like to express my heartfelt gratitude to my wonderful supervisor Dr. GL Malav for his guidance, advice, wisdom, motivation, support and superb supervision during the whole course of this study. His helping hands were always there as and when needed. God is so merciful to me by providing a treasure of knowledge in the form of him who has completely transformed me and changed the dimensions of my mind. Without his gracious guidance this study could have not been materialized.

I take this opportunity to express my profound thankfulness to Prof. VB Jugale, Prof. Partha Sen, Prof. Pami Dua, Prof. Ashima Goyal, Prof. BL Pandit, Prof. Narain Sinha, Prof. LM Bhole, Prof. Bandi Kamaiah, Prof. Ranjna, Prof. Kanta Ahuja, Prof. SN Tripathy, Prof. Ajay Shah, Prof. Rajas Parchure, Prof. Nityananda Sarkar, Prof. AR Nadkarni, Prof. Ila Patnaik, Prof. Romar Correa and Prof. Madan Goel as this study has greatly been benefited by their valuable critical comments and wonderful advices.

Words become helpless to express my deep sense of gratefulness to my parents for their affection, love, care, endurance, sacrifice, support and foremost goal of their lives to enable me to pursue this study. I dedicate this study to the holiest thing I have ever seen alive, my mother, the dearest one on the earth.

I, myself, typed and formatted this thesis. All errors and inconsistencies are my own.
