

ACKNOWLEDGEMENTS

First of all I would like to thank my supervisor, Prof. P. Madhavan for offering me the detailed suggestions for the improvement of this work and I have been privileged to work under the guidance of him. I am profoundly grateful to him.

I also wish to thank Dr. Auradha Sudarsan for teaching me the research insights which helped me to continue my research further.

I would like to express my heartfelt thanks to Prof. Raj N. Bakshi and Dr. Rajneesh Arora, Director, The English and Foreign Languages University, Lucknow Campus for their valuable teachings.

I convey my gratitude to all my teachers in the EFL University for their cooperation in building my foundation in the areas of linguistics and phonetics.

I wish to thank Lizy Kusuma and Sujana for their cooperation and support.

I also would like to thank A. K. Ojha and Suryakant Tripathi for their cooperation and support.

I am thankful to all the informants for sparing their time to answer the questionnaires for my data collection.

Finally, I am thankful to all my friends and well-wishers who cooperated with me on all hardships.
