Acknowledgement

At the very outset, I must express my sincere regards and gratitude to my respected supervisors Prof. A. Samad and Dr. G.C. Layek, Department of Mathematics, The University of Burdwan, for their immense help and guidance in each and every step of my research work.

I express my indebtedness to Dr. A.K. Bhunia, Head, Department of Mathematics, B.U., for ensuring me the departmental facilities necessary for this work.

No word is sufficient to express my thankfulness to the faculty members of the department of Math., B.U. namely, Prof. K.K. Mandal, Prof. K.C. Chattopadhyay, Prof. N.D. Chakraborty, Prof. C. Bandyopadhyay, Prof. S.K. Roy Choudhury, Prof. R.N. Mukherjee, Dr. A. Ali Shaikh and Miss N. Bandyopadhyay for their kind cooperation and encouragement.

I specially thank Prof. H.P. Mazumdar of I.S.I, Kolkata for his invaluable suggestions and advice. I express my sincere regards to Dr. Sambaran Pramanik of our Department for his continuous encouragement.

My thanks are also due to the non-teaching staff and the research scholars of my Department for their helping hands whenever needed.

I am also grateful to C.S.I.R. (Council of Scientific and Industrial Research), New Delhi, India, for providing financial help during the first part of this work.

In fine, I shall never forget the patience and the constant encouragement of my family members.
