I sincerely thank **Shri O.P. My sincere thanks to **Shri K.V. Ravikumar**, I/C Director, Institute of R&D and Director ISSM, RSU for his personal and professional help that he has extended to me during the course of my Ph.D tenure. His guidance, motivation and immense knowledge have deeply inspired me.

I take this opportunity to sincerely acknowledge the **University Grants Commission (UGC)**, Government of India, New Delhi, for providing financial assistance in the form of Senior Research Fellowship which buttressed me to perform my work comfortably.

The road to my Ph.D. started with a course work by **Dr. Sukhdev Mishra**, Scientist B, Department of Bio-statistics, National Institute of Occupational Health, from whom more than the subject, I learned how to go about with the research and what a research scholar should look for. I am obliged to him for helping me understanding research methodology and statistics.

My special words of gratefulness should also go to **Dr. Vandana Maheshwari**, Judge, Metropolitan Magistrate Court, Ahmedabad; **Dr. J. U. Nanavati**, Dean (Law Faculty), Principal, Sheth M. N. Law College, Patan, **Dr. Hemant Patel**, Asst. Professor, Sheth M. N. Law College, Patan; **Mr. Akhil Desai**, advocate, Ahmedabad, for their support and efforts to provide me better insight in the subject of law which helped me in numerous ways during various stages of my PhD.

I am also indebted to **Shri Sanjay Srivastava**, IPS, ADGP, State Crime Record Bureau (SCRB), Gandhinagar and other staff members of SCRB especially **Mr. Nitin Patel**, for his humble support in providing me with crimes records of the Gujarat state for the research purpose.

My gratitude to **Shri C.V. Gajjar**, Assistant Professor Forensic Photography, RSU, for his immense help and direction in working with photography and biometric cases. My profound gratitude to **Dr. (Smt.) S. K. Menon**, former Co-ordinator Forensic Science, School of Science, Gujarat University for her valuable inputs and guidance in my thesis work.

No research is possible without the Library, the centre of learning resources. My special thanks to **Mr. Pragnesh Parekh**, Assistant Librarian, Raksha Shakti University for providing his services and help whenever I required. I appreciate the interest shown by him in updating me with the latest publications regarding studies in my research area.

My Research Development Committee (RDC) and Research Progress Meeting Committee (RPMC) guided me through all these years. Thank you to all committee members for encouraging me upon selecting such vital topic for research, pointing in the right direction and being my major advisors.

I am also very grateful to all teaching and academic staff members of the Raksha Shakti University who were always very helpful and provided me with their assistance throughout my Ph.D. tenure.

I have always been blessed with magnificent friends in my life, who kept me going by providing a stimulating and fun filled environment. Words are short to express my gratitude towards my friends-forever, **Ms. Nirali Jasani** and **Ms. Dipika Ved** for always standing by my side and helping me enormously. I also appreciate and extend my thanks to my best friends **Shweta Sharma, Chaitali Thakkar and Riddhi Bhatt** for their moral support. I acknowledge my Ph.D. colleagues **Margi Vasan, Mr. Ravi Sheth, Hitesh Roz, Rakeshsingh Kunwar, Bibin, Bijin, Sarthak Rathod** and my friends **Disha Doshi, Kavisha Patel and Parvesh Sharma** for their help and good wishes.

At this moment of accomplishment, I would like to pay homage to my grandparents. I would not have reached this stage in my life without their blessings and encouragement.

The biggest support, motivation and encouragement for a girl, from childhood emanate from her parents, especially her father. My father has always given me the courage to dream and try to fulfil challenging dreams and my mother has always taught me the importance of being patient and humble in all stages of life. Thank you doesn't seem sufficient but it is said with appreciation and respect to my parents, **Shri Sureshkumar Patel** and **Smt. Sarojben Patel** for their support, care, love, motivation, understanding and prayers. I would also like to extend a huge loving thanks to my brother **Nikunj** for his love and prayers.

I owe a lot to my husband, who encouraged and helped me at every stage of my personal and academic life, and longed to see this achievement come true. His infallible love and support has always been my strength. His patience and sacrifice will remain my inspiration throughout my life. Without his help, I would not have been able to complete much of what I have done and become who I am. It would be ungrateful on my part if I thank **Krutarth** in these few words.

I feel fortunate to have such understanding parents-in-law who supported me equally like my parents, during the course of my Ph.D. I am ever obliged to my father-in-law, **Shri R.I.Patel** and mother-in-law, **Smt. Sitaben Patel** for their love and unconditional support.

I would like to thank God Almighty for giving me the strength, knowledge, ability and opportunity to undertake this research study and to persevere and complete it satisfactorily. Without his blessings, this achievement would not have been possible.

Besides this, I would like to extend my gratitude to one and all who have knowingly or unknowingly, directly or indirectly helped me in the successful completion of this work.
