Acknowledgements

Yadav, Mohd. Nizam, Rahul singh and Atul Maurya without their precious support it would not be possible to conduct this research.

A special thanks to my teachers, friends and others, whom I could not mentioned here and helped me directly or indirectly to make this endeavour in reality.

Last but not the least; I would like to thank **my dearest**: my parents, my brothers and sisters, my nephews and niece for supporting me spiritually throughout writing this thesis and my life in general.

Above all, I thank “GOD” for making this mortal venture possible.
