

Acknowledgements

It is my pleasure to express my sincere thanks to some of the people without whom this "Thesis" would not have been possible.

First of all, of course, I wish to express my eternal gratitude, appreciation and indebtedness to my supervisor, **Professor, Ayub Khan, Department of Mathematics, Jamia Millia Islamia, New Delhi**, for his valuable suggestions, guidance and encouragement to me at every point to continue and accomplish my thesis. I have been extremely lucky to have a supervisor who cared so much about my research work by kind treatment, constant encouragement and constructive suggestions during my entire study. His regular counselling and untiring supervision enlightened me a lot in the field of Mathematics. He has not only introduced me to the subject of fuzzy modeling and nonlinear dynamics but he has also inculcated my interest in this highly exciting and interdisciplinary research area.

I owe a great deal of gratitude to **Professor, Abdul Wafi, Head, Department of Mathematics, Jamia Millia Islamia, New Delhi**, for creating an excellent academic atmosphere in the department and providing all the necessary facilities at every step during my research work.

I am also thankful to my colleagues and friends **Arti Tyagi, Shikha, Muzaffar Ahamad Bhat, Naved Akhtar, Durvesh Verma, Ram Pravesh Prasad, Chandrashekar Nishad, Mahendra Pratap Pal** for helping me during the course of Ph.D.. I also tender my thanks **office staffs**, Mathematics Department for constantly helping me in my work. I thank Central library and department **library staffs**, Jamia Millia Islamia for providing with healthy atmosphere with numerous books and journals.

My deepest gratitude goes to my family that give me all kinds of supports, encouragement and love and having faith at me especially my parents **Mr. Rajendra Prasad** and **Mrs. Samundri Devi** who made me what i am today. I also feel privileged to have the most loving and amicable younger sisters **Neelam and Kusum** and younger brothers **Dharmveer and Vidyanand** .

Last but not least, a special words of thanks to the Almighty God for being so generous that I am able to write my thesis today.
