

ACKNOWLEDGEMENT

I take this opportunity to gratefully acknowledge my thesis supervisor Dr. M.P. Sadashiva whose encouragement, guidance and support throughout research programme.

I am very grateful to Prof H. Junjappa, INSA Senior Scientist for introducing me to research in heterocyclic chemistry. I acknowledge his wonderful training in understanding basic concepts of chemistry.

I am equally grateful to Prof. H. Ila, Research Professor, JNCASR Bengaluru for her guidance in developing my research skills.

I owe my special thanks to Prof. S. Ananda, Chairman, Department of Chemistry for his support and suggestions. I equally thank former Chairman Prof. D. Channe Gowda, Prof. H. S. Yathirajan and Prof. K.M. Lokanatha Rai for their support. My sincere thanks to Prof. Shashikanth and Prof. Y. B. Basavaraju for their valuable suggestions.

I am grateful to Prof K .J. Rao, Emeritus Professor, Indian Institute of Science, Bengaluru with whom I had valuable and meaningful scientific discussions.

I thank Dr. N. Ramesh, Director, Reva University, Bengaluru for providing laboratory facilities.

I thank AstraZeneca Pharma India Ltd., Bengaluru and Advinus Therapeutics, Bengaluru for their support during my research work. I thank all my colleagues at Process chemistry department Advinus Therapeutics Ltd, Peenya, Bengaluru for their moral support.

I thank my friends and senior friends Dr. Chikkahanumantharayappa, Dr. Narayana Reddy, Dr. Thipperudraiah, Dr. R. Ramachandrappa, Dr. B M Nagabhushan, Dr. Balachandra Bondodkar, Dr. Nirajan P., Dr. Sivakumar R., Dr. Chandrashekaram, Dr. Dinesh, Mr. Harish M. N., Mr. Goutham, Mr. Venugopal rao, Dr. Shivananda, Dr. Arun Kumar, Dr. Vinod, Mr. Kiran, Dr. Sajjesh Thomas and Dr. Varun for their timely help.

My sincere thanks to my research colleagues Dr. Devaraj Reddy, Mr. Lingaraju. G. S., Dr. Vinayaka A. C., Dr. Vinay Kumar K. S., Mr. Bommegowda Y. K., Mr. Charanraj T.P. (Reva), Mr. Rajeev N., Mr. Anil S. M. and Mr. Kiran K. R. who have helped me whenever it was needed. I thank my friends at JNCASR Mr. Ananda, Mr. Saraiah, Dr. Vijaykumar, Mr. Yugandhar and Dr. Parameshwarappa for their timely help.

My special thanks to my research colleague Mr. Pradeep Kumar with whom I spend lot of time in the laboratory.

My special thanks to all teaching and non-teaching staff of DOS chemistry, University of Mysore for their kind help.

I also express my deep sense of gratitude to my late parents for their blessings.

I would like to express my inner feelings for my brothers Mr. G Manjunath, Mr. G Nagaraju and my sisters whose constant encouragement and moral support always helped me to smile at the difficult times to achieve the objectives of success. I thank my relatives and friends, they inspired, encouraged and supported me.

Words are inadequate to express my heartfelt thanks to my wife Shobha T. and my son Tejas B. for their support.

Byre Gowda G
