ACKNOWLEDGEMENT

I am extra ordinary privileged in completing this dissertation. It's my privilege to have been associated with Prof. Dr. S. P. Kallurkar, my Research Guide. I owe special gratitude.

He permitted me the freedom to think of my thoughts, he read my drafts promptly, and commented on them critically and constructively. His facility for organization and his judgement about emphasis and perspective are evident in all my work. Without his continuing and full backing, I may have been dishearten and gave up the effort long ago.

I express my sincere thanks to Mr. Pratikdada P. Patil, Chairman, Shetkari Shikshan Mandal, Prof. A.S. Jambhalc, Principal P.V.P.I.T. Budhgaon, Mr. M. A. Chougulc, HOD Mechanical Department, P.V.P.I.T. Budhgaon, for permitting me to carry out research work at S.R.T.M. University, Nanded.

I am thankful to Prof. B.M. Naik, Ex. Principal, SGGS College of Engineering & Technology, Nanded for his initial encouragement to do this work. I am also thankful to Prof. Dr. T. R. Sonttakke, Principal S.G.G.S. College of Engg. & Technology, Nanded for his all support to do this work. I am highly thankful to authorities and staff of M/S Kirloskar Bros. Kirloskarwadi, Dist: Sangli; for permitting me to carry out my work at their factory premises at kirloskarwadi. I am thankful to Mr. R. S. Birajdar, Mr. A. S. Akole, Mr. N. R. Birge, Mr. V. R. Magdum, and all engineers, respondent to questionnaire for their kind co-operation in this research work.

I express my sincere thanks to Mr. B.G. Saknure, Librarian S.G.G.S. College of Engg. & Technology, Nanded, Mr. D. G. Mohite, Librarian, P.V.P.I.T. Budhgaon, and Mr. J. N. Kulkarni, Librarian S.R.T.M. University, Nanded. They have provided me ready references, texts and various books and magazines as and when required for completion of my thesis. I had made use of library facility of other institutes like, Indian Institute of Technology (IIT) Powai, Mumbai; Indian Institute of Technology (IIT), Delhi; National Institute of Industrial Engineering (NITIE), Vihar Lake, Mumbai; Entrepreneurship Development Institute of India (EDI), Ahmedabad, National Institute of Design (NID) Ahmedabad; Amrita Institute of Management, Coimbatore,
and Amrita Institute of Advance Computing, Ettimadai, Coimbatore. I would like to thank the authorities and staff in these places for the permission and necessary help.

All my efforts in this work without have been successful by constant help extended from Prof. S. P. Chavan, W.C.E. Sangli, Prof. M. S. Pawar, W.I.T. Solapur, and Dr. D. Nagayya. Also my sincere thanks to Prof. Dr. S. R. Kajale, Dr. V. M. Nandodkar, Prof. Dr.B.M. Dabadc, HOD and all staff of Production Engineering Department. Mr. S. K. Sarada and his team members of EDC of S.G.G.S. College of Engineering & Technology, Nanded, always ready for sharing experiences, views and evaluate my ideas. I am also thankful to Mr. B. G. Sonkamble, Mr. A.V. Rakhe, and others for their kind co-operation.

I am especially thankful to all mechanical staff members of P.V.P.I.T. Budhgaon, for all the arrangements they made to facilitate my project work. I pay sincere thanks to Prof. L. N. Wankhade, and his all friends, who have always been ready to provide help, second advice and evaluate my ideas. They shared with me their experience viewpoints and prospects.

Sincere thanks extended to Dr. L. S. Deshpande, Dr. Kanwadkar, Mr. S. J. Joshi, and Mr. Rajesh Chavan for reading the manuscripts for identifying the mistakes correcting them and suggesting valuable suggestions in this thesis. Mr. S. J. Joshi provided all the help for computer hardware and software, typing and effective presentation of this report. Mr. Rajesh Chavan took lot of efforts to bring the thesis in this form.

I express my sincere feeling towards my wife Sou. Rupali for her patience, motivation and understanding, and my son chi. Pruthviraj, who had miss many affectionate hours during this research work. I owe my gratitude towards my parents and thanks to my relatives for moral support during my research work.

Finally, I would like to thank to all those who have helped me directly or indirectly, during the course of this research work.
