ACKNOWLEDGEMENT

I cannot find words of acknowledgement which will be able to project the picture of volcano of my feelings of gratitude to many known and unknown hands which pushed and put me on the right path and enlightened me with their experience, knowledge and wisdom. I shall ever remain grateful to them.

I consider myself fortunate and greatly privileged to have worked under the supervision and guidance of Dr. P. Pramanik, Professor, Department of Textile Technology, S. G. G. S. Institute of Engineering and Technology, Nanded, for his valuable guidance, meticulous supervision, whole hearted encouragement and keen interest right from the selection of my research problem to the final shaping of this thesis. These words fall short to appropriately and sufficiently thank him.

I am very much thankful to AICTE New Delhi for providing the necessary funds for this project.

I am extremely thankful to Dr. R. P. Nachane, Sr. Scientist, CIRCOT Mumbai, Dr. Shila, CIRCOT Mumbai, Mr. M. S. Anjane, Chief Executive Director Priyadashini Soot Girni Ltd., Shirpur for their timely help and co-operation during my research work.

My inexplicable gratitude goes to Dr. S. K. Deshmukh, Principal College of Engineering & Technology Akola, Dr. A. K. Chakrabarti, Head of textile dept. SGGS institute of Engineering and Technology, Nanded, and Dr S. R. Kajale, Director SGGS institute of Engineering and Technology, Nanded for providing necessary facilities to pursue this study and their generous help in all academic matters.
I feel immense pleasure in taking the opportunity of expressing my whole hearted sense of gratitude and sincere indebtedness to Mr. A. K. Barik, Vice President, RSR Mothata Mill Higanhhat & Mr. Pravin Ingole, General Manager RSR Mohata Mill, Higanhhat for their kind affection, parental guidance, constant inspiration and whole hearted support not only during the course of this work but during my whole study period also.

I am personally indebted to Prof. Dr. Khaddakar ,Professor of Statistics in Shivaji Science College, Akola and Mr. M. S. Kasture, Finance and Accounts officer, SRTM University, Nanded for providing necessary information and to carry out analysis of results.

I am thankful Prof. S.T. Lalwani, Prof. P. Jaruhar, Prof. S.K. Agrawal, Prof. S.R. Malpani, Prof. P. D. Bhanavat faculty members of Textile Department of College of Engineering and Technology, Akola.

I am very much thankful to faculty member of Prof. Dr. P. Kar, Prof. Dr. V. K. Joshi, Prof. Dr. Solankar of S.G.G.S. Institute of Engineering and Technology, Nanded for providing their valuable guidance time to time.

I am very much thankful to Works Director of Raymond Woollen mill Ltd., Chindwada and Mr. M. R. Patil Deputy Manager, Designing Department Raymond Woollen Mill Ltd., Chinwada who provided all necessary help needed for project work.

I was fortunate enough to receive the kind co-operation from almost everyone in one way or the other, during my stay at this institute. It is extremely difficult to thank all of them individually by name. This short coming may please be pardoned.

Last but not the least, I am thankful to all those who helped me directly or indirectly in successful of completion of this project.

Vilas M. Patil
