

ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to the physical, spiritual and mental supports to this venture, the thesis "Impact of Folk science and Accepted science on the Super humanness of ritual performances - A study based on of Performance of "Potten Theyyam."

*I am indebted to my supervising teacher **Dr .E. K. Govinda Varma Raja**, Assistant Professor (Retired) and Supervising Teacher, School of Folklore Studies, University of Calicut for his valuable guidance and supervision, timely corrections and suggestions, advices and encouragements and for enlightening my path of the study to make this attempt a grand success. I express my sincere gratitude to Dr. K.M.Anil Assistant Professor in Malayalam and Head of the Department(in charge), School of Folklore Studies, University of Calicut for his valuable service.*

I sincerely express my thanks to the informants of the Kannur and Kasargod District. Teachers of University of Calicut helped me in data collection with different suggestions and permitted to laboratories by showing the experiments. They are Dr. K. M. Jayaram, then Professor and Head, Department of Botany, Dr. Yusuf Akkara, Department of Botany, Dr. K.K. Aravindakshan, Then Professor, Department of Chemistry, Dr .M. Muhammad Mustfa, Associate Professor and Head of the Department of Physics,Dr.Jisha.C.K. Assistant Professor, School of Folklore Studies. I remember my Teacher, Professor Raghavan Payyanad whose inspiration really lead me to learn further.

I thank to the staff of the School of folklore studies, my co-research fellows and friends their help in one way or another.

Vijisha. P.
