ACKNOWLEDGEMENT

At the very outset the researcher acknowledges his sincere gratitude and indebtedness to his research guide Dr. V. SEENI NATARAJAN, Professor, Department of Lifelong Learning and Extension, Gandhigram Rural Institute, Gandhigram for his inspiring guidance in directing and compiling this research work. The researcher is highly indebted to the joint supervisor Dr. M. A. SUDHIR, Professor in Applied Research and Dean, Faculty of Rural Development. His scholarly guidance and inspiring encouragement during the course of study have helped me to complete the research work successfully.

The researcher places on record his gratefulness to Dr. B. Vijaya kumar (L), former State Project Director of SSA for his advice at the preliminary stages of the study and to Dr.M.A Khadar, former Head, Department of Curriculum, NCERT and Director, SCERT Kerala for his constructive ideas and valuable suggestions in pursuing the study.

The researcher owes his gratitude to Dr. Celine Pereira, School of Pedagogy, Mahatma Gandhi University, Kottayam, Kerala for her constant encouragement and expert advice at different stages of the study. The researcher acknowledges his appreciation to Dr. V Rajeevan, former Associate Professor SCERT, Trivandrum for his valuable advice and suggestions in the course of drafting the report of this research work.
The researcher acknowledges his thankfulness to Dr. K. N. Anandan, former Consultant, Pedagogy Unit, and SSA Kerala for his useful suggestions in the course of this research work.

The researcher wishes to express his sincere thanks to the State Programme Officers and Consultants in the State Project Directorate of SSA Kerala and District Project Officer, District Programme Officers, Block Programme Officers and Block Resource Centre Trainers in the District Project office of SSA, Trivandrum District for their whole hearted co operation to make this study a success.

The researcher extends his sincere thanks to the State Project Coordinators and Consultants in the State Project Directorate of SSA Tamil Nadu and the District Project coordinator, Assistant Project coordinator, Programme coordinators and Block Resource Centre Teacher Educators in the SSA Kanyakumari District for cooperating whole heartedly with this study. The researcher wishes to thank the Teachers in Kanyakumari District and Trivandrum District for the co-operation extended in conducting this study.

Finally, the researcher wishes to thank the Librarians of NCERT, New Delhi, SCERT, Kerala and DTERT, Tamil Nadu for their prompt assistance during the course of study.
